- OUR LEARNING JOURNEY -  
12 June 2017

Dear Parents and Carers,

Welcome back. I hope you and the children enjoyed some of the lovely sunshine during the break. The remaining weeks in school will be very busy and this newsletter gives you details of many of the events planned. As usual year group newsletters provide more specific information about the learning opportunities this half term.

Looking ahead, children will be visiting their new class teacher during our transition morning on Wednesday 5<sup>th</sup> July. Over the following few weeks the class teachers will be meeting to hand over information about the children to the new teacher. There will be other transition opportunities that children will also be involved in and we want all the children to feel happy and confident and above all very much looking forward to coming back to school in September. The following table gives details of your child's new class teacher.

Kind regards,

Mrs Sally Stoker
