Following on from the success of April's e-learning hub meetings, we have four more sessions planned around the County. The sessions are a mix of sharing ideas, resources and issues, combined with some countywide news and topics each hub has chosen itself.

The hubs focus is e-learning and are for all teachers - not just the ICT coordinator!

Typical things covered so far include:  
New equipment to use in the curriculum (Lego Wedo) - Blogging - What is it all about? Why should we blog? - Blog setup using J2E and NorTLE - School blogs to visit - KS1

**BEST 'APP' SPOT-LIGHT**

Sharing resources including ipad apps; Keeping up to date with the latest developments in ICT; Networking with other colleagues; Demo's of resources to be used across the curriculum; Advice about the new ICT curriculum.

The Agenda for Junes meeting includes:  
Worried about teaching computing? See the new resources coming to NorTLE in June - lesson plans, software, help videos - it's all there!  
Encouraging Boys writing - an exciting project planned for the Autumn term.

Come along and join the fun!
