Heritage and Harvest

Newsletter
7th October 2019

This newsletter is dedicated to celebrating the numerous visits and events we have enjoyed already this term. These experiences truly enrich our children's learning as well as being memorable in themselves. I extend my thanks to all the staff who have planned these extra-curricular opportunities. Thank you also to our volunteers who have joined us.

Harvest Festival

Our traditional harvest service was once again a memorable afternoon. We were treated to songs, prayers and poems from each class that helped us to celebrate and be thankful whilst also remembering that we need to look after our world and be generous towards others. We are very grateful for all our food donations – these have been delivered to Food Bank to help families facing food crisis this autumn.

PTA news

Thank you to everyone who supported the PTA curry and quiz night last week. This was a fantastic evening with a delicious Indian buffet cooked by Prakriti Karthausser and her team which raised £400 for the school! A great result and a big thank you to all who helped and supported the event.

The winning team - Crock's Crackers - are pictured here:

Attendance this term to date is 97.2%. The class with the best attendance is Beech 98.4%

All Aboard with Oak and Chestnut Class!!

To help launch their writing unit, our youngest pupils spent a day exploring the workings of steam trains at Cranmore Station. They tried their hands at signaling, explored the station and of course enjoyed a ride on a steam train.

Heritage Schools news

Our local history learning has been enriched with several visits this term. Sycamore Class have visited both Bath and Bristol to understand more about the Georgian period. They have investigated Georgian architecture in Bath whilst examining the impact of the slave trade in Bristol.

Choral Event at Downside School

Our Year 4 children were recently invited to spend an afternoon at Downside school. Here they enjoyed a visit to the abbey where they took part in a choral celebration. They were also able to hone their cricket skills on the green outside.

Our School Council will be helping us to understand the complex issue that is homelessness on Thursday which is World Homeless Day. They will lead an assembly to help us understand how, why and who can end up homeless. We are asking children to wear a bobble hat to school with a £1 donation to be sent to Julian House, a charity based in Bath dedicated to supporting those who are vulnerable and excluded to become empowered to lead independent lives.

Erasmus Visitors came to Wellow

This week the teachers from our partner schools in Spain, France, Denmark and Ireland visited our school. They visited classes, spoke to children and found out more about education in England with additional visits to Fosseway and Downside schools. We are looking forward to welcoming them back to St Julian's, but with children too, next year.
