

Whitley Chapel C of E School
Acceptable use of computers and other technologies by pupils.

When I am using the computer or other technologies, I want to feel safe all the time.

I agree that I will:

- always keep my passwords a secret
- only work with people I know in real life
- tell my teacher if anything makes me feel scared or uncomfortable on the internet
- make sure all messages I send are polite
- show my teacher if I get a nasty message
- not reply to any nasty message or anything which makes me feel uncomfortable
- not bring my own mobile device to school
- not give my mobile phone number to anyone who is not a friend in real life
- only email people I know or if my teacher agrees
- only use my school email
- talk to my teacher before using anything on the internet
- only open pages which my teacher has said are OK
- not use the internet on wet playtimes
- not tell people about myself online (I will not tell them personal information such as my name, anything about my home and family)
- not upload photographs of myself without asking a teacher
- never agree to meet a stranger

Anything I do on the computer may be seen by someone else.

I am aware of the CEOP report button and know when to use it.
