

Sanctions

We have reviewed our behaviour system and each class now has a behaviour chart. Your child's name will start each day on the start of the chart, ready to learn. Their name will either be moved up the chart in recognition of positive learning behaviours or moved down if they choose not to follow the 4 golden rules or do not show a positive attitude to their learning.

To deter pupils from demonstrating inappropriate behaviours we have clear sanctions in place for any pupil who chooses to not follow our 4 Golden rules:

- * Any pupil not displaying good learning behaviour and choosing not to follow our rules will receive a verbal warning.
- * Any pupil who continues to rule break after a verbal warning will have their name card moved onto warning.
- * Any pupil who continues to choose not to change their behaviour will have their name moved down the behaviour chart.
- * They are able to move back up the behaviour chart if they chose to make the right learning choices.
- * If a pupil reaches the bottom of the chart then their parents will be informed and be sent to the Head's office.

At The Bishops' everyone is responsible for their own behaviour and the choices they make. Behaviours both positive and negative have consequences.

How can I help?

Discuss the Golden Rules with your child and reinforce how important they are.

Ask your child how many house points they have earned and where did they finish on the behaviour chart.

Talk to the class teacher if you have any concerns relating to your child's learning behaviour - we want to work in partnership with you.

Positive Learning Behaviour

Revised information
January 2017

Our Golden Rules:

Treat others how you want to be treated

Follow instructions with thought and care

Show respect to everything

Show good manners at all times

Information Leaflet for Parents and Children

Our 4 Golden Rules

We have recently reviewed our reward system and decided that we wanted to introduce additional rewards for those children who continue to follow the 4 golden rules. We have re-launched the House system and all the children have been put into a House : Wulsidge, Kenstec, Leofric and Conan.

They will be able to collect House points for following the Golden rules. The House captains are in year 6 and year 2.

At The Bishops' we have 4 Golden Rules that we expect all pupils to follow during their time in school.

The rules are clear, easy to remember and form the basis of how we would want our future citizens to live their lives in society.

Our rules are in place during all hours at school including in clubs and during playtimes, lunchtimes and whilst out on trips and visits.

Rewards

- All pupils start school every day with their name on the start of the behaviour chart in their class
- Children who follow the 4 Golden Rules and show a positive attitude to learning can earn additional house points and have their name moved up the behaviour chart.
- Each section of the behaviour chart has a different reward. When a child gets to the top of the chart they will receive a prize and then visit the Head's office and have their name written in the Golden book which is read out in our celebration assembly.
- All pupils who keep to our Golden Rules join in with the class golden time treat at the end of half term.

Rewards

- In addition to this culture of positive behaviour, children can get their name on the 'You've been noticed' and the 'best effort boards.'
- Children's achievements will be shared with the whole school in our celebration assembly.
- Children will receive golden tickets when they are seen following the 4 Golden Rules at playtimes and lunchtimes.
