## School Message

Dear Parents,

Thank you for all your patience and understanding this week as we went into a new era of using the parent area of the website for booking parents evenings. Please do speak to your child's teacher if you are having any problems. I also need to say a huge thank you for supporting us in keeping your children safe at the end of the day and for happily signing in whenever you enter the school.

Autumn has really arrived today so please can I remind everyone that the children will be going out to play even when the weather is poor so please ensure they have a coat at school.

I have been showing lots of parents around this week who are interested in their child joining our school next year. They have all commented on how polite and well behaved the children are. I feel very privileged to be the Head of our school as I walk around with visitors, the children have happily spoken about what they are doing and show off their work with pride.

A huge well done to all our sports teams who have been out over the last week. They all represented our school brilliantly showing excellent sportsmanship and impeccable behaviour.

Have a lovely weekend,

Nicki Smith

## Sporting Achievements

### Biathlon

"Last week we were fortunate enough to compete in the Biathlon which consists of swimming 50m metres and running 800 metres at Bath University. While we were registering we came across Jamie Cooke, a pentathlon athlete who recently won Gold at the world championships in Mexico and a few of us proudly held his medal (Mrs Clark and Mrs Smith were in awe). By the end of the day, when our legs were achy and we all desperately needed a shower, we were all extremely victorious and proud of our achievements.

Congratulations Zara K, Anwyn S, Laura B, Kelly B, Freya V, Tilly C and Olivia A

### Netball Tournament

On a lovely sunny afternoon this week we took a team of 7 enthusiastic netballers to the High % netball tournament at Somervale School. We were incredibly proud of the team work and dedication the girls showed. They fought hard in every game and didn't stop chasing that ball down until the final whistle blew. The improvement in the girls since the tournament last year was quite staggering. Huge thanks needs to be given to Sarah Cox who gives up her time every week to train the girls. We can't wait for the next match.

Congratulations to Kelsey M, Abi L, Olivia A, Abbie P, Tilly C, Kiera C, Emma P and Abi P
