School Message

It has been a very exciting week in school with our maths team coming 7th out of 33 school teams and our Girls football team winning the Midsomer Norton Football Tournament. The girls team has worked hard to improve their skills under the tutelage of their new resident coach Mrs Smith. We are very proud of their achievement.

This week we have looked at the children's topic books as a staff it was great to see how much presentation has improved across the school and how much the children are interested in what they are learning about. As I walked around school today so many of the children came up to me to share what they were working on, showing great excitement about their learning.

Christmas preparations step up next week with family afternoon in each class to make Christmas decorations for our main Christmas tree please come along and join us from 2.15pm.

Thank you so much for your support with attendance. Three classes have 100% attendance this week that is fabulous!

It is very exciting to see the new build rising up – it looks like by the end of today the structure will be at roof height meaning that everything is on schedule!

Have a lovely weekend,

Best wishes

Nicki Smith
