6th September 2017

Dear Parents/Carers,

Re: Published Ofsted Inspection

I am pleased be able to share with you our published Ofsted report, post our recent inspection, which took place in July 2017.

The overall judgement of the school is **'Good'**

I sincerely hope that you agree that this is a very positive outcome for our school and the report clearly recognises all the hard work and support of Woodside staff, governors, pupils and parents. The HMI inspector, when giving his feedback, was extremely complimentary about how the school is run. He was, in particular, impressed by our pupils recognising how articulate, confident and caring your children are. We feel proud that he identified all Woodside pupils as having a strong sense of community and a feeling of belonging to the school.

I would also like to let you know that I have been accepted as Lead Ofsted inspector myself and begin my training imminently. This may involve some time away from the school for short periods of time to conduct inspections. In my absence, the day to day running of the school will continue to be provided by Mrs Maslen and Mrs Hannen. I am confident that this professional opportunity will greatly benefit the future outcomes of pupils at Woodside School.

Yours sincerely,

Dorota Milner
Headteacher
