5th March 2019

Dear Parents

Further to my previous messages with regard pupils and mobile phones, I feel that we again need to make very clear the school's position with regard any devices that can receive messages. This now, of course, will include Fitbits and Smart watches.

Generally, our pupils are pro-actively discouraged from bringing phones to school. However, as some children in Year 5 and 6 walk home alone, we understand that for some parents this represents a safety measure. Therefore, can parents please remind their child that any phones, mobile watches or devices must be handed in to the office at the beginning of the day, and collect from the office before the children set off for home. Children must on no account keep their mobile phone on them during the day, and if found, this could lead to a B level sanction. Please note the school office does not accept responsibility or liability for loss or damage to any phones, whilst in their possession.

Children are not permitted to wear Fitbits or Smart watches or any devices that can receive messages. Please ensure your child does not come to school wearing a device of this sort.

I do hope this fully clarifies the schools position on mobile devices during the school day.

With best wishes

Dorota Milner
Headteacher
