Dear Parents and Carers

### **Social Media**

It has been drawn to our attention that many of our pupils have various social media accounts or have access to them. The majority of these accounts are only permitted for people over thirteen years of age.

Please can I ask you to support the school and our e-safety policy, which is available on our website, by closing these account with immediate effect and or ensure that your child does not have access to these sort of accounts until they reaches the appropriate age. Whilst we understand that parents are under enormous pressure in this rapidly changing social media environment we now live in, we as a school has a duty of responsibility for the safeguarding of all its pupils. I have included, for your information, a copy of Child Safety Online leaflet which is a practical guide for parents and carers whose children are using social media.

With best wishes

Dorota Milner
