25th January 2017

Dear Parents and Carers,

Parking

We have now received advice from Thames Valley Police with regards the ongoing issues of parking in and around Woodside Junior School at the beginning and end of the day.

We have been informed that we can publish registration number plates of cars that have been illegally parked or have parked without consideration to other road users, pedestrians or home owners. This obviously is not something we would wish to do but we have tried every means possibly to encourage safe and considerate parking and still some people continue to ignore this.

As a school, we feel strongly, that it is our duty of care to **your children** to ensure that they can enter and leave school as safely as possible. In light of this we will now be publishing number plates in our newsletters of anyone who has parked either illegally or inconsiderately.

We had hoped that it would never come to this but we are now left with no alternative as the law is continually flouted and we continue to receive complaints from local residents. Please, please help us to keep **your children** safe by being within the law and parking with due consideration so as we never have to name and shame anyone.

With best wishes

Dorota Milner
Headteacher
