iPads for Learning Acceptable Use Agreement

The school has provided iPad Mini's with internet access to help your learning. These rules will keep you safe and help us to be fair to others.

- I will only access the systems and my device with my own login and password, which I will keep secret, but share with the technical manager when asked.
- I will not access another person's device or storage area, or interfere with other people's work or files.
- I will use the iPad Mini for school work and homework.
- I will not behave in a way that could cause damage to the iPad Mini.
- The messages I send will be polite and responsible.
- I will not give my home address or telephone number, or arrange to meet someone, unless my parent, carer or teacher has given permission.
- I will report any unpleasant material or messages sent to me. I understand this report would be confidential and would help to protect other students and myself.
- I will ensure that I bring the iPad Mini to school each day and that it is fully charged at the beginning of the school day.
- I understand that the school may check my files and may monitor the internet sites that I visit in school.
- I will not delete or remove the pre-installed MDM profile.
- I will not delete the histories on my iPad.
