**Minutes**

- Children wanted to discuss house points further and how this would work and when it could start.
- RA shared that he thought that this was a good idea
- The children said that they felt that this was a good idea as it would make more children show green behaviour so that they could get house points
- It was agreed by all members of the school council that there should be 4 'houses' across school and that these should be named after famous people. The children shared their suggestions for this – famous footballers, planets, curriculum characters and famous people were discussed.
- RA agreed that famous people may be good as this may confuse some younger children if we called the houses by curriculum character names
- It was agreed that at the end of each term, the children from the house with the most points would take a vote on the following rewards: Use of the playground equipment for one week, extra playtime, non uniform day, homework pass for one week.
