

**Year Group: Year 1**

**Day 1 Home Learning:**

Activity	Subject	Activity Instructions
1	Phonics	<p>We have subscribed to PhonicsPlay as a school and you can access the whole site from home using our school log-in. Username: admin@southgosforth.newcastle.sch.uk Password: sgfs@285</p> <p>Flashcards speed trial: <a href="https://www.phonicsplay.co.uk/resources/phase/5/flashcards-speed-trials">https://www.phonicsplay.co.uk/resources/phase/5/flashcards-speed-trials</a></p> <p>Games to play which focus on the alternative phase 5 sounds that we have been learning:</p> <ol style="list-style-type: none"> <li>Cheeky Chimps alternative sounds: <a href="https://www.phonicsplay.co.uk/resources/phase/5/cheeky-chimps">https://www.phonicsplay.co.uk/resources/phase/5/cheeky-chimps</a></li> <li>Acorn Adventures alternative sounds: <a href="https://www.phonicsplay.co.uk/resources/phase/5/acorn-adventures">https://www.phonicsplay.co.uk/resources/phase/5/acorn-adventures</a></li> </ol> <p>We all love Mr Mc in Year 1. Please find the website where you can learn more about phase 5 sounds. You can join in with Mr Mc and have a piece of paper handy to write down the words that he makes. <a href="https://www.youtube.com/watch?v=mmShmKpUSzU">https://www.youtube.com/watch?v=mmShmKpUSzU</a></p>
2	Reading	<p>Access Oxford Owls at <a href="http://www.oxfordowl.co.uk">www.oxfordowl.co.uk</a> to find a new text or choose a book that you have at home on the bookshelf.</p> <p>Choose a story that contains two characters. Talk about what they might say to each other in one of the events in the story. Relate this to your own experiences and how you might feel in a similar circumstance.</p>
3	Maths	<p>Number: Place Value</p> <ol style="list-style-type: none"> <li>Practise counting in 10s to and back from 100 from 0 or any given number regularly will increase fluency and will support addition and subtraction.</li> <li>Paint the squares by splatting each number as you say it. Pick a puzzle (Down the side under the colours) and find one more and one less than a number. <a href="https://www.topmarks.co.uk/learning-to-count/paint-the-squares">https://www.topmarks.co.uk/learning-to-count/paint-the-squares</a></li> <li>Practise counting in 2s, 5s and 10s. This game could support this. <a href="https://www.ictgames.com/mobilePage/saucerSorter/">https://www.ictgames.com/mobilePage/saucerSorter/</a></li> </ol> <p>Practise your number bonds - Write numbers to 20 on pieces of cut up paper. Can you turn the numbers over and practise your number bonds to 20. Turn over 2 numbers at a time to see if they make 20. If they do not then turn them back over and have another go until you find matching number bonds to 20.</p> <p>2D and 3D Shape Hunt - Can you go on a hunt around your house looking for 2D and 3D shapes. Using paper, can you record which shapes you have found. Can you colour the 2D shapes in one colour and 3D shapes in another so you can tell the difference between the shapes you have found.</p>

4

**Writing**

Activity 1: Can you write about what you can see in the picture? <https://www.pobble365.com/animal-town/>

What can you see in the picture? What animals can you see? Where might they be going? How will they get there? Remember to write in full sentences and use capital letters, finger spaces and full stops.

Activity 2: Can you write your own story? You will need to choose a character, setting and a special object.

1. Think about your character. Is it a human or an animal? What do they look like?
2. Think about where your story is set. Ideas; forest, park, shop, beach, safari, underwater etc.
3. What is your special object? It could be a magic key, treasure map, lamp, magic potion, kite etc.

Can you draw your picture of your character in their setting with their special object? Once you have, can you write your own story. Let your imagination run wild. You might even want to act your story out once you have finished.
