Day 1 Home Learning (Spring Term)

Activities to Complete

<u>Activity</u>	<u>Subject</u>	<u>Activity Instructions</u>
1	Literacy	<p>Listen to the story "The Gingerbread Man" using the link below.</p> <p>https://www.youtube.com/watch?v=U89dkGrsYZY</p> <p>Can you create a story map of the story? Think of the main parts of the story and the order in which they happened. You can look at the example on the page below to remind you of how we set out our story maps. Once you have made your story map, can you re-tell the story to your family using actions to help you to remember the story?</p>
2	Phonics	<p>We have now learnt all of the Phase 2 single sounds and have also been learning their corresponding letter name. Can you practise these by singing "Boom Shake the Alphabet" with Mr Mc?</p> <p>https://www.youtube.com/watch?v=Emb2yvwAHtc</p> <p>We have also learnt the digraphs qu, sh, ch, th, ng. Remember this is when two letters make one sound. Can you find any objects around your house or pictures in books that have any of these sounds in them? Practise writing the words. Can you think of a short sentence to write using one of these words? (For example: I got a chip.)</p>
3	Maths	<p>Start your maths lesson counting forwards and backwards to 20. Can you sing along with the Counting to 20 song?</p> <p>https://www.youtube.com/watch?v=0VLxWIHRD4E</p> <p>Next, write the numbers from 11 to 20 on small pieces of paper. Turn all of the pieces of paper over so that you can't see the numbers. Split a piece of paper into six sections (or print out and use the Bingo Board below). Choose 6 of your numbers and write one number in each section. Ask a grown up to shuffle the numbers and pick one number at a time. Play "Bingo" crossing off the numbers as they are said. You could play with someone else in your house and see who gets Bingo first!</p>
4	Supported Task	<p>Can you make a Gingerbread Man like in the story? You could make a real Gingerbread Man or one out of playdough. Can you make any other characters from the story?</p>
