Dear Parents and Carers, Hello and Assalamu Alaikum

Firstly many thanks once again for your generosity and support for the Children in Need appeal at Byron. It was lovely to see that so many families had made a real effort to take part and to contribute. Events such as Children in Need are very important for our children for many reasons. We encourage our children to be compassionate, kind and to think of other people. We want our children to feel that they are part of a much wider community that goes beyond Bradford. Finally, we also encourage the children to show initiative and to take action and not to wait for other people to do all the work. This year we have managed to raise the fantastic sum of £272 which is a tremendous effort. Well done Byron!

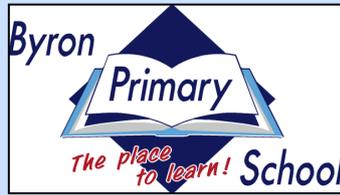

Sadly, concerns about parking and traffic are once again back on the agenda. I have noticed that several parents have been parking immediately outside the locked school gates in the morning. Please park elsewhere as you are in effect blocking the gates and causing a hazard and an obstacle for Emergency Services in the case of a fire or accident. Secondly, once the gates are opened it is essential that cars are driven slowly with utmost care because there will still be Parents and Children walking on the turning circle. Too often cars have been seen to accelerate dangerously into this space. I would also like to remind drivers that seat belt wearing is compulsory and children should be secured by a belt or booster seat. Never standing up in the car.

Best wishes Mr R O'Sullivan

### Parent Pay

Parent-pay activation letters will be sent out again next week. All parents need to ensure that they are signed up to parent pay as in the future we possibly will be removing the cash machines in school.

If you need help or have any questions about activating your

### Parent's Super Seven Tips

1. Get your child to school on time and every day (unless ill)
2. Have a good bedtime and morning routine. Your child needs a good night's sleep.
3. Make sure your child has full school uniform and a PE kit and everything else to feel organised
4. Help them to do great homework.
5. Give them a snack of fruit or veg for school every day. Kids need at least 5 portions a day
