

Wednesday 10th April 2019

Dear Parents and Carers, Hello and Assalamu Alaikum

As we approach the end of Term I would like to thank all the Staff at Byron Primary School for their incredible hard work and dedication despite some significant challenges. Staff have continued to provide a really high standard of education and support for your children. One example amongst many has been the two floods that happened in school last week. By a total fluke we had two water pipes break at the same time that flooded classrooms in Year Two and in Year Five. Mr Musa, who is currently working as our Site Supervisor, and his team of cleaners did an amazing job to get the water up and the carpets cleaned and dried. The Teaching Staff then continued to educate the children despite the problems that the floods had caused. This involved moving the children from room to room as the carpets dried out and the rooms became usable again. The children, Teaching Staff and Cleaners all did an amazing job and we were able to avoid having to send children home. Many thanks.

Following discussions the Governors have decided to hold information sessions for parents about Relationships and Health Education. This is necessary because of the levels of anxiety that some Parents are experiencing following the coverage this matter is getting on Social Media and in the news. This session will be to share with you the facts and will be an opportunity for Parents to share their concerns. There will be further sessions at a later date to discuss in more detail the curriculum in each year. These sessions will be on **Wednesday 1st May at 2.30 and again at 4.30.**

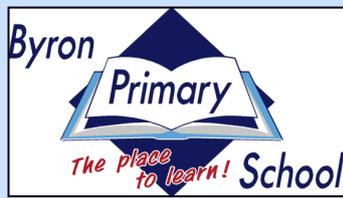

I hope you all have a very pleasant Easter break.

Best wishes Mr R O'Sullivan

Next week's dinner menu is:

DAY	HOT	COLD

Friday	

### Reminder

- A lot of parents have been asking for information regarding SRE and there will be a meeting held at 2:30 and 4:30 on Wednesday 1st May to share the facts regarding the governments intention to introduce

## 8 Habits of Healthy Kids®

Healthy kids:

- Spend at least 1 hour a day being physically active
- Spend less than 2 hours a day watching TV and playing video and computer games
- Eat at least a total of 5 fruits and vegetables everyday
- Snack on healthy foods and less junk food and sweets
- Drink or eat at least 3 low fat dairy foods a day
- Drink at least 2 glasses or bottles of water a day instead of soda
- Eat less fast food and make healthier fast food choices
- Eat smaller amounts - bigger is not better
