

Wednesday 10th October 2018.

Dear Parents and Carers, Hello and Assalamu Alaikum

I would like to start by congratulating Razwana Khan on her election to the Governing Board. Rizwana received the most votes in the Parental elections and has been duly elected. I would also like to thank Sajida Hussain and Gulshan Hussain for also putting their names forward for the post. It is a good sign when we have three strong candidates all putting their names forward for the good of the school. Many thanks to all those Parents who voted, your involvement is very important. At Byron the Local School Governors will continue to have an important job to do despite Byron becoming an Academy. The Nurture Academy Trust has a clearly defined set of roles and responsibilities that ensure that considerable accountability and responsibility still lies with the school Governors.

Byron Primary School won the Bradford Festival of Talent for 2018 with two other acts placed third and fourth in the final. This was a great achievement for our children and a lot of fun. We will be taking part again in 2019 and are looking forward to showing some of the amazing talents that our children have. As well as having a lot of fun this is an opportunity for our children to learn about respect and tolerance as before we hold any auditions in school we talk with the children about the importance of being tolerant and respectful and to avoid prejudice and bias. The in-school auditions to identify our finalists are open to all children between Y2 and Y6 and will be starting after the half term break.

Best wishes Mr R O'Sullivan
