Dear Parents and Carers, Hello and Assalamu Alaikum

It has now been just over six months since Byron Primary School joined the Nurture Academy Trust. The last six months have been a period of developing our working relationships with the other schools and with the Trust Central Team. The other schools in the Nurture Trust are Parkwood and Victoria in Keighley, Denholm, Fearnville and Lapage. We have been sharing our expertise with the other schools and this has been very helpful. The Trust are also looking at trying to improve the quality of the services that we provide and so there is now one contract for the catering for all the schools and this has gone out to tender. We are expecting to see that whoever wins the contract will be providing a better school meal service for the children at Byron.

Following discussions the Governors have decided to hold information sessions for parents about Relationships and Health Education. This is necessary because of the levels of anxiety that some Parents are experiencing following the coverage this matter is getting on Social Media and in the news. This session will be to share with you the facts and will be an opportunity for Parents to share their concerns. There will be further sessions at a later date to discuss in more detail the curriculum in each year. These sessions will be on **Wednesday 1st May at 2.30 and again at 4.30.**

Can I once again remind Parents of the dangers of parking outside the school gates and the importance of driving slowly on the turning circle.

How can I help my child with their reading?

The Parts of a Parent Reader

- A Smart Mind,** to understand the importance of reading with their child daily.
- Eyes,** for seeing their child and showing how engaged they are.
- A Mouth,** for reading books to their child, 20 minutes every day.
- Ears,** to listen to their child's questions.
- Hands,** for hugging their child close while reading a favorite book.
- A heart,** to love and desire a good education for their child.
- Books,** to share every day with their child to build their language and literacy.
- Feet,** for walking to the library each week to discover new books.
