Dear Parents and Carers,

At the end of this term we are saying goodbye to Mr Abraham who is moving onto new adventures- we wish him the very best and he will be missed by all the children and staff he has had such a positive impact on. Also, some teachers will be moving year group and so from September Miss Ash will be teaching in Foundation and Mrs Ahmadi will be teaching in Year 1.

We will share information about all the children's new class for next year in the annual reports that will come home on the 2nd July.

Sports Day

We are planning for sports day on Thursday 15th July with the 19th July as a reserve if the 15th is rained off. Details have already been shared by email. Wellbeing week will start on Monday 12th July with all our normal fun activities

Virtual school Tour

Have a look at our new and updated virtual school tour. It now includes the beautiful new KS1 library and will be on the website very soon. Just paste the URL into your search address bar.

Well done Luca Coulton

Message from Luca's mum:

My husband manages and coaches Luca's under 7s football team and they are doing extremely well...they were invited by Argyle to play at home park as part of an academy super Sunday and won all 4 games against two argyle teams, a Liskeard and Truro team.

This was after playing two games the day before as part of their league games, which they also won both of those too, without conceding any goals the entire bank holiday weekend.

Luca said he won't forget scoring two goals at Home Park!

Amazing effort Luca, we are so proud of you 😊

Thank you to Grayson Bryant

Keep it up Grayson- you are doing amazingly with your sit up challenge 😊

Phones in school

We are seeing more and more children bring phones into school that are unnecessary. If a child walks home alone and parents would like them to have a phone for security, then they may be brought in a deposited in Reception in

the morning and collected at the end of the day. This would be the only reason to have a phone in school and so children who are collected from school do not need to bring a phone to school.

Play Equipment on site

Please can we remind parents that children should not be playing on the big play equipment before or after school as it's use is strictly timetabled for class bubbles to minimise the risk of cross infection of Covid-19.

If children are unwell and unable to attend school

Please call Reception or email admin@chaddlewoodschool.org.uk if your child is unwell and not able to attend school that day.

Learning Support email

Just a reminder that we have a designated email address should you need support with any aspect of your child's learning - be that maths homework techniques, SPAG work or internet safety (or any other aspect of your child's learning). We are always very happy to support and answer any questions.

Covid testing

Please can I ask that should your child be tested for Covid-19, they self-isolate while you are waiting for the results and that if the result is **positive**, that you inform the school office asap and should this be over a weekend or during

Thank you
