

Chaddlewood Primary School

Westfield, Plympton, Plymouth. PL7 2EU 01752 337450

www.chaddlewood-primary.plymouth.sch.uk

Dear Parents and Carers,

We have had another fantastic week of learning at Chaddlewood Primary School. I know I speak for all the staff when I say that we are in constant awe of our children. With only a few weeks left of term, they continue to push themselves and be the best they can be. We have some more exciting learning ahead.

'Education's purpose is to replace an empty mind with an open one.' Malcolm Forbes

Miss King's absence

Miss King has undergone surgery to donate one of her kidneys to her mum. I am sure you will agree this is an extremely brave thing to do! I am pleased to say that the surgery was a success and they are both recovering well. We wish them both a speedy recovery!

In her absence, I will be monitoring her emails. I will respond as soon as possible; however, please direct any urgent emails directly to me at: mstace@chaddlewoodschool.org.uk

Designated Safeguarding Leads

We take our safeguarding responsibility very seriously at Chaddlewood Primary School. Our Safeguarding Lead is Miss King. In her absence, please direct any safeguarding concerns to myself or Mrs Jones. Please do not send any to our admin email. Thank you.

Dates for your diary:

2nd July: Reports sent home

5th July: Class Swaps

8th July: Aspiration Day

12th July: Meet the Teacher Evening

TTRS

Improvement in accuracy

1st - Freya Frame

3AR - Lois Fell and Charlotte Millican

4LF - Jessica Starkie

4SC - George Allen

5JC - William Chant-Seeley

5DP - Emily Slade

6JH - Zach Methven

6MS - Luke Bustin

Please look on the Google Classroom for the link to the celebration assembly video from today 😊

Parents' Evening – Reports

On 7th July we are offering parents the opportunity to discuss your child's report. Please contact your child's teacher directly if you would like to do this. If there is nothing you would like to discuss, then there is no expectation to make an appointment.

Uniform

Please can we ensure that children are not now wearing trainers to school and that girls wear socks or tights with skirts and not leggings, as per school uniform. Thank you everyone.

Learning from our Foundation children

Here are some photographs from our Foundation children's work on 'The Elves and the Shoemaker'. Lovely work!

Dodgeball in year 5

Year 5 children took part in a dodgeball competition on Thursday. Every child took part and represented their team-point colour. After several competitive games, yellow team emerged victorious after winning all their games and scoring the maximum points! Well done, yellow team!

Disability Football

Hunter District Football Club are currently looking into setting up an additional needs, mixed group football team based in Plymstock. This is for children aged 10-14 years. The club would like to hear from families whose children may be interested in becoming players for this team.

The team is very much focused on inclusion and would be open to children with ASD, Down's Syndrome, hypermobility, hearing impairments, visual impairments, cerebral palsy, learning difficulties or those with any additional needs or medical condition. Fully qualified coaches would be provided, although parental support would be essential depending on the circumstances.

If you have a child who may be interested, please email Ross Hart at: mwelfare.hdfc@gmail.com

Summer Holiday Camps

Do not forget that Eolas+ will be providing holiday camps at Chaddlewood over the summer holidays (26th July - 3rd September). You can book your child's space here:

https://eolasplus.co.uk/holiday-camps?mc_cid=d5ec1d83a1&mc_eid=528883087c

Late children

Just a reminder that if children come in after 8:55am then parents must come to reception to sign them in. Thank you.

Phones in school

We are seeing more and more children bring phones into school that are unnecessary. If a child walks home alone and parents would like them to have a phone for security, then they may be brought in and deposited in Reception in the morning and collected at the end of the day. This would be the only reason to have a phone in school and so children who are collected from school do not need to bring a phone to school.

Play Equipment and mixing of bubbles on site

Please can we remind parents that children should not be playing on the big play equipment before or after school as its use is strictly timetabled for class bubbles to minimise the risk of cross infection of Covid-19. Can we also remind parents to keep children who are in different bubbles separate whilst on site. We are working hard to ensure that we minimise all potential Covid risks.

If children are unwell and unable to attend school

Please call Reception or email admin@chaddlewoodschool.org.uk if your child is unwell and not able to attend school that day.

Learning Support email

Just a reminder that we have a designated email address should you need support with any aspect of your child's learning - be that maths homework techniques, SPAG work or internet safety (or any other aspect of your child's learning). We are always very happy to support and answer any questions.

supportlearning@chaddlewoodschool.org.uk

Covid testing

Please can I ask that should your child be tested for Covid-19, they self-isolate while you are waiting for the results and that if the result is **positive**, that you inform the school office asap even if this is over a weekend or during a holiday.

Thank you
