Dear Parents and Carers,

Welcome back after the Easter break and we hope you all had a chance to enjoy the weather and relax.

We have another busy term and are excitedly anticipating the opening of restrictions on the 21<sup>st</sup> June when we will be able to return to some sort of normality and plan for some exciting activities for the children towards the end of term 😊

Please note from the calendar that we have booked for class photos to be taken on the 25<sup>th</sup> May.

## Year 2 Meet Neil Armstrong

Year 2 were very lucky to meet Neil Armstrong (or someone who looked just like him!) this week as part of their history focus. They even watched him launch a rocket on the field!

### Well Done Taiya!

Taiya is in the Plymouth Argyle ADC girls under 10s squad and also plays for Elm United under 8's and is the first/only girl in her team. She works very hard and we are really proud to share Taiya's account of her adventures over the Easter break with photos below. Well done Taiya- what an amazing effort and you are clearly very talented 😊

By Taiya:

*In the Easter holidays I went to Bristol with my Plymouth Argyle ADC squad to play against Bristol city's under 10's girls Academy. We won 6-3 it was a great experience. On Friday we went to Swindon and played Swindon Town under 10's and 11's we had another great win 17-0. It was really fun*

*and I had a great time being able to do what I love. I am excited to play reading in a few weeks. My goal is to be a professional footballer when I am older and if I do get that far I will be very happy and proud.*

### **Play Equipment on site**

Please can we remind parents that children shouldn't be playing on the big play equipment before or after school as it's use is strictly timetabled for class bubbles to minimise the risk of cross infection of Covid-19.

### **Virtual Tour of Chaddlewood**

Below is a link to a 360 virtual tour of the school that will shortly be going on the website. We thought you might like to have a virtual look around 😊

### **If children are unwell and unable to attend school**

Please call Reception or email [admin@chaddlewoodschool.org.uk](mailto:admin@chaddlewoodschool.org.uk) if your child is unwell and not able to attend school that day.

### **Update from PCC: Lateral flow testing for households of children at school**

Anyone who has sustained contact with school children will be eligible, including households of school children, members of support bubbles, childcare and those in related occupations, to access lateral flow tests. Further information can be found here:

<https://www.gov.uk/guidance/rapid-lateral-flow-testing-for-households-and-bubbles-of-school-pupils-and-staff>

#### How will I get these tests?

Getting these test kits is easy and there are a number of ways you can obtain tests:

1. If you already test through your employer based testing programme you can continue to use that
2. Collect self-test kits for home use from a collection site; find your nearest site by visiting <https://find-covid-19-rapid-test-sites.maps.test-and-trace.nhs.uk/>

3. Order a self-test kit online to be delivered to your home <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

Tests are free, fast and easy to use and you can easily report test results online.

#### Where do I need to go to collect self-test kits in Plymouth?

Local tests sites in Plymouth are located at

1. Plymouth Marjon University Local Test Site, Derriford Road, Plymouth, PL6 8BH (this centre is in the lower car park outside the gymnasium)
2. The Guildhall, Armada Way, Guildhall Square, Plymouth PL1 2BJ (go to the Lower Guildhall)
3. Former Seaton Barracks, William Prance Road, Plymouth, PL65ZD

Sites are open for collection 1.00pm – 8.00pm, 7 days per week. Please check the [website](#) for the most up to date information for the site you intend to visit – you do not need to book.

Over time further sites where tests can be collected may become available and they will be shown on the [website](#) and local information will also be updated on the Plymouth City Council [website](#)

Please note that schools are not able to supply testing kits for households of school children, members of support bubbles, childcare and those in related occupations and you will need to use the methods above.

#### **Learning Support email**

Just a reminder that we have a designated email address should you need support with any aspect of your child's learning - be that maths homework techniques, SPAG work or internet safety (or any other aspect of your child's learning). We are always very happy to support and answer any questions.

[supportlearning@chaddlewoodschool.org.uk](mailto:supportlearning@chaddlewoodschool.org.uk)

#### **Covid testing**

Please can I ask that should your child be tested for Covid-19, they self-isolate while you are waiting for the results and that if the result is **positive**, that you inform the school office asap and should this be over a weekend or during the holiday, that you email me directly at [sking@chaddlewoodschool.org.uk](mailto:sking@chaddlewoodschool.org.uk)

Thank you
