Dear Parents and Carers,

I would like to take this opportunity to wish you all a great Easter holiday and to say thank you for your continuous support. It is hugely appreciated by all the staff.

We are in the process of planning for events for next term and hoping that we can offer some of our normal activities towards the end of next term, such as wellbeing week and year 6 leavers celebrations, government guidelines withstanding. Fingers crossed.

Take good care everyone and see you all on the 19th April 😊

Spring Term Headteacher's Award

A huge congratulations to the following children who have won this terms Headteacher Awards: Sophie-May Stonehouse, Ayla Dean, Penelope Leonard, Harrison Corber, Archie Ford, Evie O'Neill, Poppy Tucker, Vinnie Arrellov-Parker, Isla McCondichie, Brayden White, Kayla Hawke, Lily Jeffers, William Cole, Phoebe Hadfield 😊

Parents Evenings on the 19th, 20th and 21st April.

The website booking system for parents evening is open so please book in asap. We always aim for 100% of parents attending so you can share in your children's successes and see where support might be offered.

As are using the video function in your child's Google Classroom to access this parents evening, it is essential that you click on your child's classrooms video link **at exactly the time of your appointment** and not before please. The video link will be made clear on your child's Google Classroom so please log in as

Friends of Chaddlewood

A huge thank you to the Friends of Chaddlewood for continuing to try and raise money to support the school during this very difficult time for all fund raisers. We would not have our KS1 library without you and many other resources! The Friends do also need your help! Fundraising takes time and effort and the money parents that contribute the more effective and easier the task for all, so if you have an idea, want to support an idea or want to share your thoughts please contact the friends through their Facebook page and they are always happy to chat. As an add on, I'm aware that some parents perceive that when we advertise PTA events that there is a requirement to join in, we certainly wouldn't want that impression to be gleaned as all events are voluntary. We certainly don't ever chase children up for mufiti contributions and we won't be checking who returns the smartie tubes that are currently being given out. Please join in if you can, that is all we ask 😊

Uniform Expectations

In a previous email I shared that we will be relaxing the rules on school uniform until Easter, due to the difficulty in buying uniform during lock down. Can I now ask that after Easter we return to our usual uniform requirements of school style black shoes (not trainers), white polo shirts and maroon coloured jumpers, sweatshirts or cardigans. Also, girls may choose to start wearing summer dresses after the holiday. Thank you for your support in this.

Foundation Festival Week

Foundation had a wonderful week celebrating festivals from all around the world.

Play Equipment on site

Please can we remind parents that children shouldn't be playing on the big play equipment before or after school as it's use is strictly timetabled for class bubbles to minimise the risk of cross infection of Covid-19.

Virtual Tour of Chaddlewood

Below is a link to a 360 virtual tour of the school that will shortly be going on the website. We thought you might like to have a virtual look around 😊

If children are unwell and unable to attend school

Please call Reception or email admin@chaddlewoodschool.org.uk if your child is unwell and not able to attend school that day.

Update from PCC: Lateral flow testing for households of children at school

Anyone who has sustained contact with school children will be eligible, including households of school children, members of support bubbles, childcare and those in related occupations, to access lateral flow tests. Further information can be found here:

<https://www.gov.uk/guidance/rapid-lateral-flow-testing-for-households-and-bubbles-of-school-pupils-and-staff>

How will I get these tests?

Getting these test kits is easy and there are a number of ways you can obtain tests:

1. If you already test through your employer based testing programme you can continue to use that
2. Collect self-test kits for home use from a collection site; find your nearest site by visiting <https://find-covid-19-rapid-test-sites.maps.test-and-trace.nhs.uk/>
3. Order a self-test kit online to be delivered to your home <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

Tests are free, fast and easy to use and you can easily report test results online.

Where do I need to go to collect self-test kits in Plymouth?

Local tests sites in Plymouth are located at

1. Plymouth Marjon University Local Test Site, Derriford Road, Plymouth, PL6 8BH (this centre is in the lower car park outside the gymnasium)
2. The Guildhall, Armada Way, Guildhall Square, Plymouth PL1 2BJ (go to the Lower Guildhall)
3. Former Seaton Barracks, William Prance Road, Plymouth, PL65ZD

Sites are open for collection 1.00pm – 8.00pm, 7 days per week. Please check the [website](#) for the most up to date information for the site you intend to visit – you do not need to book.

Over time further sites where tests can be collected may become available and they will be shown on the [website](#) and local information will also be updated on the Plymouth City Council [website](#)

Please note that schools are not able to supply testing kits for households of school children, members of support bubbles, childcare and those in related occupations and you will need to use the methods above.

Covid testing

Please can I ask that should your child be tested for Covid-19, they self-isolate while you are waiting for the results and that if the result is **positive**, that you inform the school office asap and should this be over a weekend or during the holiday, that you email me directly at sking@chaddlewoodschool.org.uk
Thank you
