Dear Parents and Carers,

Another week and lots to share below. We have started to book dates for our Christmas activities and I can share that the KS2 Christmas Carol Concert will this year be on the 9th December in the afternoon, more details to follow.

Have a great weekend. Miss King

PSSP Award

Congratulations to the children and the PE team for being awarded the PSSP Bronze Award for last year's work in PE and competitions. It is amazing that we won this award with all that happened in school last year so well done everyone :-)

Christmas Fair Raffle Help

Do you or does anyone you know own a business that would be willing to donate a raffle prize for our Christmas raffle? We are gratefully asking for any donations to enable this year's raffle to raise even more funds for school projects. Please contact a member of the Friends or email friends@chaddlewoodschool.org.uk if you can help. This year's Christmas Fair is on the 3rd December :-)

Trainers

Children wearing trainers rather than the specified school shoes is becoming an issue in school. We had hoped that the shoes purchased for our return to school would be part of our agreed uniform policy but unfortunately some children have returned wearing new black trainers rather than shoes. Please can you ensure that children wear only school shoes, as specified in our agreed uniform policy. Parents support children in wearing our agreed trousers, sweatshirts, polo shirts and other uniform items but for some reason school shoes are being less supported.

Pond help

Are you able to help us maintain our school pond? Are you a bit of a pond expert or know someone who is?

Can you spare a few hours to help us in our pond area?

Our school pond has become overgrown in the past few months so we will be spending some time after school or on a Saturday morning rejuvenating it. Can you help? Please email Jane Newstead at jnewstead@chaddlewoodschool.org.uk if you can help- thank you

Gardening Club

We are very lucky to have polytunnel and space to run a gardening club. Are you able to help run the club afterschool and develop the children's gardening skills? This would be a once-a-week commitment for an hour or so. All friends and family of the Chaddlewood School Community are welcome 😊

Nut Free school

This is my yearly reminder that we are a NUT FREE SCHOOL as we have several children with a severe and life-threatening allergy to nuts and so we ask you do not send children to school with food that contains nuts for their packed lunches. I know their families will hugely thank you for your help with this.

If children are unwell and unable to attend school

Please call Reception or email admin@chaddlewoodschool.org.uk if your child is unwell and not able to attend school that day.

Learning Support email

Just a reminder that we have a designated email address should you need support with any aspect of your child's learning - be that maths homework techniques, SPAG work or internet safety (or any other aspect of your child's learning). We are always very happy to support and answer any questions.

Covid testing

Please can I ask that should your child be tested for Covid-19, they self-isolate while you are waiting for the results and that if the result is **positive**, that you inform the school office asap and should this be over a weekend or during the holiday, that you email me directly at sking@chaddlewoodschool.org.uk

Thank you
