Internal Lockdown Practice

We are planning an internal lockdown practice on Monday 28th January. I will be leading a whole school assembly on 21st January to explain this procedure to the children and why we do it. My message will be about keeping ourselves safe should there be dangers outside and will of course be explained in a very child centered way in order not to make the children frightened or anxious in anyway. It is a shame that this type of practice is now needed in schools but the benefits of being able to react quickly to situations and so keep our children safe are clear.

World Book Day

We are celebrating World Book day on the 8th March and once again we would like to encourage children to dress up as a favourite book character; there will be prizes! We are also hoping to have a £1 book sale at school that week where children could spend their £1 book tokens.

What are we working on this year as a school?

Our 'learning' focused school development priorities for this year are:

- Developing and embedding the new RWI (Read, Write Inc) program.
- Improving basic knowledge of maths
- Improving inference and deduction skills when reading
- Ensuring our curriculum meets the needs of our children.
- Providing a highly effective sports/PE program
- Ensuring attendance is good
- Develop children's writing skills
- To make full and effective use of the new EYFS module and outside resources.
- Maintain a culture of excellence and of celebrating the achievements of everyone.

A message from School Money below:

Dear SchoolMoney customer

At Eduspot we are always striving to find ways to make our systems better. Over the last couple months, we have been working hard to make some big changes to SchoolMoney. Right now a lot of it is behind the scenes, allowing us to make the changes without interfering with your day to day running of the system.

Outside of some performance enhancements and minor bug fixes, we have been improving security throughout SchoolMoney.

Later this month, parents will notice when they login, a new option in the top right of the screen, where they can change their password themselves, removing your need to do this.

For added security, when a parent decides to change their password, they will receive an SMS or Email notification to let them know this has happened. It will not divulge the password in the message, it will simply prompt them to login using the password they have set themselves, and act as a security prompt just in case this was unexpected.

Based on parent feedback, we are also changing the link in the SMS message they receive when a new item is ready to pay for, so that parents will no longer be taken to www.eduspot.co.uk, but instead will be taken directly to the parent login page, to avoid any confusion of where to go to log in.

Further down the line we will be adding self-service password resetting tools for parents who have forgotten their password and unable to log in.

If parents have any queries please direct them to the following webpage: www.eduspot.co.uk/schoolmoney-changes/

With online payments on the rise, Eduspot (as providers of SchoolMoney) would like to remind you to be extra vigilant when making payments.

Recently, there have been a small number of reports of attempts to defraud parents whilst using SchoolMoney. We thoroughly investigate all reports of attempts to defraud parents using our system (including separate, independent checks) and can confirm that we found we found that no fraud, data breach or malicious attack has occurred.

We believe however, that it important to remind parents to be extra vigilant when making payments online. NEVER give out your ATM pin to anyone – no system or person should ever require this to complete an online transaction. If something looks suspicious, do not complete the payment, close down your browser and start again making sure you are using a genuine website.

You should also ensure all system and app updates are applied to your PC or mobile devices and that they have reliable, up-to-date anti-virus software installed. Increasingly, mobile devices are the targets of malicious software so it's important that these also have adequate protection.

Eduspot remains committed to protecting your online security and providing you with an easy to use solution to securely make payments to your schools. If you spot something that doesn't look right relating to SchoolMoney, please contact us at support@schoolmoney.co.uk.

My Clothing is the company who has been supplying Tesco's with our embroidered school uniform. We have been informed by Tesco's that orders should now be placed direct with My Clothing through their website link; www.myclothing.com

WOODFORD - Job Vacancies

Woodford are looking for a Mealtime Assistant. The timings will be from 12pm until 1.10pm during term time and a Cleaner to start February 2019. 10 hours per week, 2 hours per day. If you are interested in either vacancy, please contact Mrs T Mildon, Woodford's Business Manager on 01752 336228 for more information or email them on woodford.primary.school@plymouth.gov.uk.

Trainers

A polite reminder that children are not to wear trainers as part of their school uniform. It is part of our policy that children wear shoes and not sport shoes to school and agreement with this formed part of the parent contract when children enrolled at the school.

2019-20 Term dates

I have added the 2019-20 term dates to the end of this newsletter. They are also on the website.

This week at Chaddlewood:

* 12 children from Y3 and Y4 took part in a PAT alternative sports festival on Thursday. The children were introduced to a range of sports and activities, including archery and fencing! They had a great morning. Thank you to Premier Sport for organizing the event.

* Year 5 netballers attended the Plymouth School Sports Partnership at Marjons on Monday and represented the school brilliantly. They thoroughly enjoyed the morning. (Ema Mucanubitu, Faith Walsh, Ruby Watson, Georgia Cameron, Emily Strachan, Evie Howard, Gracie Chapman).

* Natalie Harrison, the Plympton Stannator, came to our KS2 celebration assembly this afternoon and presented a new yearly 'Bravery and Caring' cup that she has sponsored. We decided to award it for this year to our Eco-Team who work incredibly hard, in their own time, to encourage and support an ecological approach to life. There is a lovely photo below of the team receiving the award from Natalie. Thank you for the cup Natalie and for joining us for the presentation and well done to the eco-team 😊

As ever please contact us with any questions, compliments or concerns.

Kind Regards: *Sarah King* [Headteacher]
