Dear Parents and Carers,

The half-term is here and we hope you have a great break now you can do things with your children!

I also wanted to take the opportunity in this newsletter to share that I will be absent for the last part of the coming half-term (about 5 weeks) and the school will be in the very capable hands of Mr. Stace and the rest of the amazing staff. In the spirit that 'every day is a school day' and 'all things are learning opportunities'; I want the children to know I am donating a kidney to my Mum and that these things are possible and miraculous. Also, importantly, that you can carry on as normal once it has happened and that lives can be saved by donating. I will be back in September and will be supporting the school in the background once I am well enough. I am sad to be stepping back as 'normal' begins to happen but am hugely looking forward to coming back to our wonderful school after the holidays 😊

*'Sometimes you will never know the value of a moment until it becomes a memory'*

## Staffing in September

I shared with you a couple of weeks ago that some of our teachers are changing year group from September. Since then, we have had further changes to our plans and so I am happy to share that Miss Ash will be moving to Year 2 from next year and Megan McAnuff will be joining us in Foundation. Megan was recently recruited, and we look forward to welcoming her to the Chaddlewood family. She will be meeting our new intake of children over the next half term through our transition days and open evenings 😊

## Uniform

Please can we ensure that children are not now wearing trainers to school and that girls wear socks or tights with skirts and not leggings, as per school uniform. Thank you everyone.

## Free to good home

Free to a good home: 14 sets of red sports kit perfect for a club. All brand new red kit, shorts and t-shirts. T-shirts are printed with Santander and are size age 12-13. Shorts are size age 11-12.

Please email [ppearce@chaddlewoodschool.org.uk](mailto:ppearce@chaddlewoodschool.org.uk) if you'd like the kit.

## Half-term Camps Tues-Friday 9am-3pm

**We will be having half-term camps again in the May half-term and the link to book is here. Eolasplus**

'Half term activity camps for boys and girls aged 6-12. Ran from 9:00 to 15:00 our Action Camps include a wide range of activities to keep children active during school holidays while allowing them to have fun and develop around our core values of Teamwork, Discipline, Sportsmanship, Respect & Enjoyment. Find out more about our Action Camps here.'

Thank you Everyone for these amazing rainbow multi raffle prizes/hampers which will be raffled off after half term 😊

Thank you to the Friends of Chaddlewood for these boxes of wet playtime games for years 3 and 5, that were on our school/Friends wish list.

Hope fully they won't need them for a while but when they do, they will have lots of fun.

### Jelly Bear

We just wanted to say a big 'thank you' to Jelly Bear Workshops in Saltash for very kindly offering to run a slime workshop for all of our Year 1 children. The workshops have been completely donated by the company, just because they love working with the children in our school. We are really look forward to the experience and cannot wait to welcome them back!

Thank you, Jelly Bear Workshops :-)

### Well done Oliver

An amazing achievement by Oliver Bartlett in 4LF. He has recorded over 400 hours of activities with the Children's University, which means he will receive his Gold Children's University Degree!

This is the highest achievement at the "Undergraduate" level and means he will now be on to the "Postgraduate" level! Oliver will also be attending the first "Virtual Graduation" in June, representing Chaddlewood. Well done Oliver, we are really proud of you 😊

### Well done Mason Perks

Mum shared the information below and well done Mason and William- a great achievement 😊

Mason Perks of 4SC and William Chant-Seeley of 5JC this weekend went up to Southampton F.C. Play on the Pitch. They played in a tournament of 16 teams. Both boys are strong defenders for their team, Plymouth Parkway Kolts U10's. They both played in defence and midfield positions during the tournament. They had an amazing time and received a certificate and medal for their efforts. The team made the finals but lost their last game on penalties. They came 6th which was not reflective of how well they played as they were excellent only conceding 3 goals across 5 matches (2 penalties and 1 corner). All coaches and parents were very proud. The kids and coaches were even treated to a stadium tour.

### Well done Olivia 😊

Last week Olivia travelled up by train to London on Saturday on her own with a small group from her Plymkids theatre group. She auditioned for the role of Jane Banks in the Westend production of Mary Poppins. She was up against tough opposition and had a 40 minute audition which involved acting out flying a kite, expressing happiness, singing a solo and singing in a group up on the main stage of The Prince Edward Theatre. She did amazingly well & has come away with an experience she will never forget.

### **Late children**

Just a reminder that if children come in after 8:55am then parents must come to reception to sign them in. Thank you.

### **The Children's University- Mr. Joe Conway (Children's University Co-Ordinator)**

The way we record children's activities for the Children University has changed and the link below explains how and why the Children's University is so brilliant and why we hugely encourage our children to take part. The attached letters explains more.

### **Rees centre free Paediatric first aid course**

As a start to their family learning provision, the Rees centre will be hosting Family / Paediatric first aid sessions on Fridays throughout June being delivered free of charge by On Course South-West. Due to covid restrictions spaces are limited. A creche can be provided. Please call 01752 340550 to book a place.

### **Aspirations Day 8<sup>th</sup> July**

We have planned an Aspirations Day on the 8<sup>th</sup> July and would like to ask the children to dress up as something they aspire to be when they are older. Details will follow.

### **Wanted in Year 2**

We need some donations of natural coloured fabric in year 2 for our beach weaving project. If you have any spare please can they be given to the Year 2 teachers or LSA's- thank you.

### **Virtual school Tour**

Have a look at our new and updated virtual school tour. It now includes the beautiful new KS1 library and will be on the website very soon. Just paste the URL into your search address bar.

### **Phones in school**

We are seeing more and more children bring phones into school that are unnecessary. If a child walks home alone and parents would like them to have a phone for security, then they may be brought in a deposited in Reception in the morning and collected at the end of the day. This would be the only reason to have a phone in school and so children who are collected from school do not need to bring a phone to school.

### **Play Equipment on site**

Please can we remind parents that children should not be playing on the big play equipment before or after school as it's use is strictly timetabled for class bubbles to minimise the risk of cross infection of Covid-19.

### **If children are unwell and unable to attend school**

Please call Reception or email [admin@chaddlewoodschoo.org.uk](mailto:admin@chaddlewoodschoo.org.uk) if your child is unwell and not able to attend school that day.

### **Learning Support email**

Just a reminder that we have a designated email address should you need support with any aspect of your child's learning - be that maths homework techniques, SPAG work or internet safety (or any other aspect of your child's learning). We are always very happy to support and answer any questions.

[supportlearning@chaddlewoodschoo.org.uk](mailto:supportlearning@chaddlewoodschoo.org.uk)

### **Covid testing**

Please can I ask that should your child be tested for Covid-19, they self-isolate while you are waiting for the results and that if the result is **positive**, that you inform the school office asap and should this be over a weekend or during

Thank you
