End of term

Dear Parents and Carers,

Welcome back and we hope you have had a fantastic Summer. It has been brilliant to see how ready the children are to learn and how smart and grown up they all looked when they returned on Tuesday. There was also some relieved looks on parent's faces on the playground ☺

We have hit the ground running so please read the newsletter through as there is lots to share.

Peanut & Nut Allergy

We continue to have quite a few children in our school with a severe peanut allergy. Just touching another child's hand or a wrapper that has contained peanuts or nuts could cause a severe life threatening reaction. It would really help us to keep these children safe if you ensure your child doesn't bring nut products to school in their packed lunch. Your support would be much appreciated. Thank you

MTA Jobs

We have vacancies for MTA's starting ASAP. Please contact Lynn Ebsworth in the office if you would like to apply for this role.

Uniform:

Just a reminder that boys in KS2 need to revert back to shirt and tie and no longer wear polo shirts as this is only a Summer Term option.

Year group newsletters

Year group termly newsletters will be coming home soon and detail the topics your children will be studying and any additional information applying to your child's new class.

Also should you wish to discuss any aspects of your child's learning with us please contact the office or class teacher; we can't always see you straight away but will make it a priority to meet or talk with you as quickly as possible.

Staff

At the end of last term we were very sad to say goodbye to Kayti Selbie and Nicki Barron-Robinson who have both gone on to exciting new challenges. We welcome Joe Hardman to Year 6 and Peter Abraham and Kelly Leach to Year 2. Please make them feel welcome when you meet them ☺

CAP (Child Assault prevention UK)

CAP will be working with us over the next 4 weeks and would like to share with parents the content of their programme and how they deliver the 'Safe, Strong and Free' message to children. They are therefore offering a meeting to all parents at 1.45-3pm on Wednesday 11th September at school, should you be available. If you can't make it but would like further information please talk to your child's teacher or you can go to their website:

<https://safestrongfree.org.uk/>

We have always found their work on encouraging children to look after themselves and speak out in relation to safeguarding really helpful. Poster attached to newsletter.

Parent Expectation Evening

We are aware that it is really tricky to get to school for different events so have attached Pdf's of the leaflets that teachers shared during the expectation evening this week. If you'd like hard copies please let class teachers know. There is a maths, writing and reading leaflet for each key stage except Foundation and this information has been shared previously.

AED: Defibrillator

We now have a defibrillator on the outside wall next to Reception which is accessible 24 hours a day. The code for the locked cabinet is available from Reception or from the ambulance service. It was generously donated by the Rotary Club and George Benjafield, the retiring President, who supported our drive to have a public AED in this area, so I would like to say a **huge thank you** on behalf of the whole community as this is such a crucial resource for Westfield. Please share its existence widely ☺

As ever please contact us with any questions, compliments or concerns.

Kind Regards: *Sarah King* [Headteacher]
