Dear Parents and Carers,

In a recent parent questionnaire we asked if you would like more information about your child's progress and attainment and you said **yes**. We listened and so today your child is bringing home a sheet with their most recent assessments on. There is an explanation on the sheet about what the grades mean and please contact your child's class teacher after the Easter holidays if you would like to discuss the assessments in more detail. The children have worked incredibly hard this term and we are so proud of their achievements 😊

May I wish you all a lovely Easter break and we will see you all on the 17th April, ready for an exciting Summer Term.

Parent questionnaire

It is time to ask you to complete our 3 year parent questionnaire. This is a very helpful tool to allow us to reflect on and improve our practices in the light of your responses and to find out what is working well! We have gone hi-tech and so there is a link below to an online version of the questionnaire. There are also paper copies available in reception and on request, should this be more convenient. The more responses we get the better understanding we have so please can I encourage you to complete it. Thank you in anticipation.

Premiersport: Premiersport will be offering an Easter holiday club at school on the 4th, 5th, 6th, 11th, 12th and 13th of April. We have added an extra day as parents were asking for a Wednesday as well. Please book on their website if you would like your child to attend. There are also still places on our weekly gymnastic and football clubs.

Uniform

We have a very small stock of uniform left in school but we are now directing parents to the Trutex shop at Plymstock or online at Tesco's. Once all our stock is sold we will not be selling it through school any longer.

This week at Chaddlewood:

* The Wind in the Willows production was an absolute triumph and huge congratulations to all the children who took part and to Mrs Selbie and Mrs Derrick for directing such a fabulous production. All the children were outstanding but a special mention must go to Zakariya Gray who played toad, inspired!

* Year 4 visited the Aquarium this week and have reported back that it was brilliant trip and will definitely book again.

* Year 6 and Foundation children were weighed and measured as part of the NHS ongoing measures programme. They are all getting taller!

FORTHCOMING ART PROJECT

Chaddlewood has been approached by Barratt Homes to support a large scale art project in the local area. Barratt are continuing to build homes in Plympton and want to screen off the development site with large boards containing art work by our children. To make this project even more exciting, we have secured the support of the well-known Plymouth artist, Brian Pollard. He will work with groups of children after the Easter holidays and his artistic style will ensure that the work the children produce will be bright and attractive.

Prior to this, Brian is preparing for an exhibition called 'Two Naive'. It will feature around 60 paintings by both him and fellow artist Arth Lawr. The exhibition will take place at Ocean Studios in Royal William Yard between 20th March and 8th April 2018. This is well worth a visit and will serve to inspire our little artists. Should you find the time to visit you can expect to see depictions of popular sights in Plymouth and from around the southwest. Prepare for a visual blast of colour!
