Dear Parents and Carers,

Another busy and windy week! Just a reminder that class photos are on Tuesday. You will see below that despite the weather the school have been busy and active this week. Read more below

There are no seven wonders of the world in the eyes of a child. There are seven million..

Half-term Camps Tues-Friday 9am-3pm

The Children's University- Mr. Joe Conway (Children's University Co-Ordinator)

The way we record children's activities for the Children University has changed and the link below explains how and why the Children's University is so brilliant and why we hugely encourage our children to take part. The attached letters explains more.

Schools Football Week

Next week we will be taking part in Schools Football Week, the focus of which is to provide an opportunity for children to get outside, have fun and enjoy being able to play sport with their school friends, competitively or otherwise.

Watch this space for photos of our children taking part next week 😊

Aspirations Day 8th July

We have planned an Aspirations Day on the 8th July and would like to ask the children to dress up as something they aspire to be when they are older. Details will follow.

Wanted in Year 2

We need some donations of natural coloured fabric in year 2 for our beach weaving project. If you have any spare please can they be given to the Year 2 teachers or LSA's- thank you.

Bikeability

In wind and rain, Year 6 battled to compete their bikeability week and how they deserve their awards!! We are so proud of all the children as they have shown resilience and determination this week- as well as waterproofing!

Well done Austin

Austin wanted to share with us his trophy that he got for player of the week at football training.

Austin only joined football after the first lock down last year but it is something he is really enjoying and has gained so much more confidence in now. Well done Austin- we are very proud of you.

Well done Harrison Corber, Logan Watch and Frankie Bailey

Last weekend Elburton Villa under 6's had their first football tournament... And what a day!!! The other 5 teams involved were 'under 7' teams, so a year older than our team.

The boys played 5 games - first game they won 3-0, second game they won 2-0, third they drew 0-0, and the fourth they won 4-0. The boys went into the last game top of the table!!

Unfortunately they lost their last game 1-0 and dropped to 3rd in the table, however they were only 1 point behind the top 2 teams, and they had an unbelievable advantage on goal difference in comparison to the top 2 teams!!

The boys went into their final playing 4th in the table and won 2-1, receiving their first team trophy! 11 goals scored and only conceding 2!!

It was an unbelievable day for the boys! Their first ever football tournament, and against other teams with a year's experience on them!!

Very proud parents all round :)

Virtual school Tour

Have a look at our new and updated virtual school tour. It now includes the beautiful new KS1 library and will be on the website very soon. Just paste the URL into your search address bar.

Phones in school

We are seeing more and more children bring phones into school that are unnecessary. If a child walks home alone and parents would like them to have a phone for security, then they may be brought in a deposited in Reception in the morning and collected at the end of the day. This would be the only reason to have a phone in school and so children who are collected from school do not need to bring a phone to school.

Play Equipment on site

Please can we remind parents that children should not be playing on the big play equipment before or after school as it's use is strictly timetabled for class bubbles to minimise the risk of cross infection of Covid-19.

If children are unwell and unable to attend school

Please call Reception or email admin@chaddlewoodschool.org.uk if your child is unwell and not able to attend school that day.

Learning Support email

Just a reminder that we have a designated email address should you need support with any aspect of your child's learning - be that maths homework techniques, SPAG work or internet safety (or any other aspect of your child's learning). We are always very happy to support and answer any questions.

supportlearning@chaddlewoodschool.org.uk

Covid testing

Please can I ask that should your child be tested for Covid-19, they self-isolate while you are waiting for the results and that if the result is **positive**, that you inform the school office asap and should this be over a weekend or during

Thank you
