Dear Parents and Carers,

Welcome back after the half-term. It was great to see the children so enthusiastic to learn after the holidays. We have been really impressed with the amount of children who kept up with their reading, spellings and tables practice over the holidays, as well as had fun of course, as it has been really evident. Brilliant work!

At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents. Jane D. Hull

FRIENDS Disco

Just a reminder that the Friends School disco is on **Thursday 8th November**. KS1 and Foundation children attend 5-6pm and KS2 children 6.15-7.30pm. Payment is made on the school payment system as usual.

A huge thank you to the members of the Friends team who stayed very late last night and sorted all the raffle ticket envelopes that are coming home today. We wouldn't be able to put on such great events and raise money to support the school without you so THANK YOU ☺

New Governors

A big welcome to our two new co-opted governors. Natalie Wooldridge who has a son in Year 1 and brings a real strength in finance and STEM, and Ian Stace, a very experienced submarine engineer, have joined our Local Advisory Board (LAB). Thank you both.

Piano for sale

We are selling an upright piano. It has lived in the KS1 hall for many years and is surplus to requirements! We are looking for a new home for it. We have been advised that it is in very good condition, needs no maintenance other than a tune and is made by Monington and Weston. It is priced at £350 and of course buyer collects. Please spread the word and contact the school if you are interested.

Carpet roll inner tube

We are looking for a couple of carpet roll inner tubes so Year 5 can complete their totem poles! Would anybody be able to supply them?

Fantastic Art Project

In the summer term our then Year 3 and 4 children painted landscape pictures with the help and inspiration of Brian Pollard, a brilliant artist. The aim was to create amazing art work to decorate large boards which will surround the green areas on the Barratt Homes project behind the school and off Redwood Drive. We were told this week that the selected paintings from Chaddlewood and Glen Park would be erected this week and we are invited along, with parents, to an unveiling ceremony. We have yet to confirm the date and time but are very excited! Watch this space for further details.

This week at Chaddlewood:

* Louis Clarkson, Harvey Llewellyn and Mylo McDonald went on a MKC trip on Wednesday to visit 165 port maritime squadron. It was a fabulous afternoon!

The children learnt about first aid (and the job of a medic) and bandaged themselves as well as a 'casualty', learnt all about rations and what essential kit they need in the Army. They had a go at observation training where they had to lay under Camouflage and find 15 objects hidden in the trees/bushes etc. We won and the children got to take home some prizes! Mrs Harley

As ever please contact us with any questions, compliments or concerns.

Kind Regards: *Sarah King* [Headteacher]
