Dear Parents and Carers,

What an exciting week we have had. There has been more exciting learning and England have qualified for the final of the Euros! Fingers crossed we have a fantastic result on Sunday night.

We are full steam ahead next week with our Wellbeing week. Mrs. Pearce and Mrs. Dean have planned so many brilliant activities. I am sure the children will have an amazing time.

Meet the Teacher Evening

Just a reminder that on Monday 12th July we have our 'Meet the Teacher' evening. This will give you the chance to meet your child's teacher for the next academic year. They will give you lots of information and advice for the year ahead. There are two group sessions available: 4 – 4.30pm and 5 – 5.30pm. I shared a letter earlier in the week, which shows you the Google Classroom where you find the Meet link you require. Please ask if you are having any difficulties.

Wellbeing Week

Wellbeing Week begins on Monday 12th July. Children are invited to come in sport clothes for the week. We do ask that they wear school PE kit (white t-shirt and black shorts) on Thursday for Sports Day. We have organised many exciting activities for the children to experience and hope that they have a great week!

Dates for your diary:

12th July: Meet the Teacher Evening

12th - 16th July: Wellbeing Week

15th July: Sports Day

Please help your child/ren to complete 'Chaddlewood's 5 a day Challenge' by encouraging them to complete the activities on the form that they will bring home today. Children who earn 35 points and return their form to their class teacher on Monday 19th July will be entered into a prize draw to win bike and scooter accessories.

Dogs on site

Please remember that we do not allow dogs on our site. Unfortunately, there have been several instances where staff have had to ask people to remove their dogs. Please support us with this policy.

Morning arrival and late children

Just a reminder that we do not want children on site before 8.30 in the morning. We are noticing more and more children coming onto the school premises before this time. If children come in after 8:55am then parents must come to reception to sign them in. Thank you.

Aspirations Day

On Thursday, Chaddlewood took part in our own Aspirations Day. We have been learning about what the job of an Engineer involves and how the things we enjoy doing now could help us to become one in the future. We had some brilliant costumes, including some Marine Biologists, Space Engineers and even a few keen children hoping to play in the next Euros! A great effort, everyone!

Uniform

Please can we ensure that children are not now wearing trainers to school and that girls wear socks or tights with skirts and not leggings, as per school uniform. Can I also remind you that boys should be wearing grey socks. Thank you everyone.

Summer Holiday Camps

Do not forget that Eolas+ will be providing holiday camps at Chaddlewood over the Summer Holidays (26th July - 3rd September). You can book your child's space here:

It's Coming Home!

This week, lots of children have enjoyed learning the words to 'Three Lions (Football's Coming Home)'. Come on England...

Play Equipment and mixing of bubbles on site

Please can we remind parents that children should not be playing on the big play equipment before or after school as it is use is strictly timetabled for class bubbles to minimise the risk of cross infection of Covid-19. Can we also remind parents to keep children who are in different bubbles separate, whilst on site. We are working hard to ensure that we minimise all potential Covid risks.

If children are unwell and unable to attend school

Please call Reception or email admin@chaddlewoodschool.org.uk if your child is unwell and not able to attend school that day.

Learning Support email

Just a reminder that we have a designated email address should you need support with any aspect of your child's learning - be that maths homework techniques, SPAG work or internet safety (or any other aspect of your child's learning). We are always very happy to support and answer any questions.

supportlearning@chaddlewoodschool.org.uk

Covid testing

Please can I ask that should your child be tested for Covid-19, they self-isolate while you are waiting for the results and that if the result is **positive**, that you inform the school office asap even if this is over a weekend or during a holiday.

Thank you
