Dear Parents and Carers,

Please can I strongly encourage you to read the newsletter weekly as we often get phone calls about information that is in the newsletter- thank you.

"When my kids become wild and unruly, I use a nice, safe playpen. When they're finished, I climb out."

Erma Bombeck

Thank you

Thank you to Richard Horton, Craig Benton, Mark Scantlebury and Glen Baker who have today helped put up the Friends storage shed. Also thank you to Kieron Lonergan, Isaac's dad, who has paid for the cement mixer hire today!!! It is hugely appreciated 😊

Fish help!

If you have experience of keeping tropical fish, could you come and help us with our fish tank as we seem to have an issue we can't unpick- thank you.

Balanceability

This week the children in Foundation have had a great time with balance bikes as part of our cycling scheme. Look how happy they all look and they

are all wearing helmets!! Great work Foundation children.

Year 2 science

For science week Year 2 explored how vertical farms were used in Ghana to produce crops and allow them to use their land effectively.

They planted a variety of herbs and are so proud of how amazing they have grown! They have enjoyed it so much the children have asked to grow some strawberries next. Watch this space!

Year 3 History

On Wednesday 12th May, Year 3 re-enacted the Roman invasion of Britannia!! They look very fierce and determined!

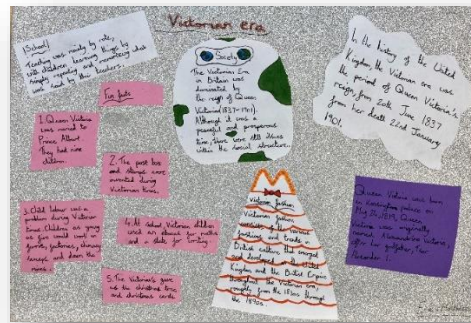

4LF's Pajama Day

4LF have had their pajama day today and they all look very snuggly 😊

Well done Evie

Below is some very impressive history work by Evie Matthews (5JC), all about the Victorians. Great work Evie- keep it up 😊

Virtual school Tour

Have a look at our new and updated virtual school tour. It now includes the beautiful new KS1 library and will be on the website very soon. Just paste the URL into your search address bar.

Phones in school

We are seeing more and more children bring phones into school that are unnecessary. If a child walks home alone and parents would like them to have a phone for security, then they may be brought in a deposited in Reception in the morning and collected at the end of the day. This would be the only reason to have a phone in school and so children who are collected from school do not need to bring a phone to school.

Play Equipment on site

Please can we remind parents that children should not be playing on the big play equipment before or after school as it's use is strictly timetabled for class bubbles to minimise the risk of cross infection of Covid-19.

If children are unwell and unable to attend school

Please call Reception or email admin@chaddlewoodschoool.org.uk | your child is unwell and not able to attend school that day.

Learning Support email

Just a reminder that we have a designated email address should you need support with any aspect of your child's learning - be that maths homework techniques, SPAG work or internet safety (or any other aspect of your child's learning). We are always very happy to support and answer any questions.

Covid testing

Please can I ask that should your child be tested for Covid-19, they self-isolate while you are waiting for the results and that if the result is **positive**, that you inform the school office asap and should this be over a weekend or during

Thank you
