Dear Parents and Carers,

Second week back and we have a bumper newsletter for you! School is now in full swing and it's like we were never away. I hope children's return to school nerves have now gone- they certainly all look very confident and smiley around school ☺

Flu Vaccination permission

An email went out to all parents this week, and I have attached it to this newsletter, to inform you that ALL the children will have the opportunity to have a flu vaccination at school on the 7th November. Design Technology contribution

We think it's really important that the children do lots of practical activities during design technology lessons, such as cooking and model making. In order to subsidise the considerable costs of this we ask for a £1 voluntary donation each year to enable our budget to stretch! This is set up on school-money should you wish to make the donation; Thank you.

NEW October Half-Term club

This half term we are trialing a new camp provider, Eolas, which is run by Eoghan who runs our rugby sessions on a Friday. He will be running all day MULTI-SKILLS, RUGBY AND FUN camps on the 23rd and 24th October during half-term and the sign up details are on the flyer attached to this email. If you book for one of the sessions I would really appreciate feedback so we can make a decision about rebooking for the February half-term.

CAP (Child Assault prevention UK)

CAP start working with us next week and will be spending time in all classes over the next 4 weeks. After your child has worked with the team we will be sending out a post session letter to let you know what they have been learning and so you can discuss the messages and ideas with your children.

KS2 Nativity Theatre Visit on the 28th November

Just a note to say that children do of course not have to go on this theatre trip and those that don't go will have an equally exciting afternoon at school.

Metal Matchbox cars

If you have any spare metal matchbox cars Foundation would love to have them. They are hugely popular with the children 😊
