Dear Parents and Carers,

You will be aware that this week Boris Johnson announced the continuation of stage 3 of lockdown and so we have needed to change some of our end of year plans. Unfortunately, parents are no longer invited to sports day on the 15<sup>th</sup> July but we have arranged to video the races and these will be shared on Google Classrooms, hopefully by the end of that day. We have managed to enable the year 6 leavers activities to go ahead, if with some tweaks. Thank you for your understanding at this time as we are as disappointed as you that we have had to change plans! Onward and upward...

Also, well done to the Year 6 children this week who have completed their SAT's as part of our assessment activities; the results of which are not published this year, but have helped inform judgements. You have all been superstars and we are very proud of you. 😊

## Rainbow raffle

Thank you again for the wonderful raffle prizes you donated as part of our end of term rainbow muffin. All the year group 'coloured hampers' are being raffled on the 25<sup>th</sup> June and staff will be selling tickets outside classrooms all that week from the 21<sup>st</sup> June. Please buy some tickets as all funds will go to the Friends projects that support the children in school. They are £1 a strip and will also be available in Reception 😊

### Uniform

Please can we ensure that children are not now wearing trainers to school and that girls wear socks or tights with skirts and not leggings, as per school uniform. Thank you everyone.

### Foundation children have been busy creating their own Elf sculptures using clay 😊

### Late children

Just a reminder that if children come in after 8:55am then parents must come to reception to sign them in. Thank you.

### The Children's University- Mr. Joe Conway (Children's University Co-Ordinator)

The way we record children's activities for the Children University has changed and the link below explains how and why the Children's University is so brilliant and why we hugely encourage our children to take part. The attached letters explains more.

### Wanted in Year 2

We need some donations of natural coloured fabric in year 2 for our beach weaving project. If you have any spare please can they be given to the Year 2 teachers or LSA's- thank you.

### Virtual school Tour

Have a look at our new and updated virtual school tour. It now includes the beautiful new KS1 library and will be on the website very soon. Just paste the URL into your search address bar.

### **Phones in school**

We are seeing more and more children bring phones into school that are unnecessary. If a child walks home alone and parents would like them to have a phone for security, then they may be brought in a deposited in Reception in the morning and collected at the end of the day. This would be the only reason to have a phone in school and so children who are collected from school do not need to bring a phone to school.

### **Play Equipment on site**

Please can we remind parents that children should not be playing on the big play equipment before or after school as it's use is strictly timetabled for class bubbles to minimise the risk of cross infection of Covid-19.

### **If children are unwell and unable to attend school**

Please call Reception or email [admin@chaddlewoodschool.org.uk](mailto:admin@chaddlewoodschool.org.uk) if your child is unwell and not able to attend school that day.

### **Learning Support email**

Just a reminder that we have a designated email address should you need support with any aspect of your child's learning - be that maths homework techniques, SPAG work or internet safety (or any other aspect of your child's learning). We are always very happy to support and answer any questions.

[supportlearning@chaddlewoodschool.org.uk](mailto:supportlearning@chaddlewoodschool.org.uk)

### **Covid testing**

Please can I ask that should your child be tested for Covid-19, they self-isolate while you are waiting for the results and that if the result is **positive**, that you inform the school office asap and should this be over a weekend or during

Thank you
