Free school meals: message below from Plymouth City Council.

After a successful trial of the Plymouth City Council online application form for free school meals, we are now making it available to all the Plymouth Schools that subscribe to our service.

Please find attached the guide which hopefully will answer any questions you may have, but as always, please feel free to contact me if you have any queries.

The date that the online form is going live for parents to apply is 23rd April, so if you could advertise this through your home newsletters, Facebook and Twitter pages hopefully we will get a few more applications.

The link for the application form

European Elections

The school will be closed on Thursday 23rd May as it is being used as a polling station for the European Elections. I emailed a letter confirming this today and explaining that we had been contacted at short notice as had 'Brexit' been agreed we would not be taking part in these elections. There is a small possibility that they could be cancelled at short notice but we will keep you up to date.

Parking outside the school

PLEASE do not park on the yellow zig-zag lines outside the school gates. It is illegal and we are now taking photos of offending cars and sending them directly to the police. We are trying to keep our children safe so please help us.

Maths App: Sumaze

The National Centre for Excellence in the Teaching of Mathematics (NCTEM) has recently released a free maths app called Sumaze. The app helps children with a range of mathematical areas, including the four operations and more complex areas such as fractions and decimals. It's a rather fun and addictive game too!

Staff changes

Mrs. Nicki Barron-Robinson will be leaving us at the end of the year and will be greatly missed by staff and children. She has taught at Chaddlewood for 8 years and has had a really positive impact on lots of your children's education. Her new venture will be 11+ tutoring and I know she has shared her details on Facebook should you want to look at this option for your child.

Mr. Peter Abraham will be joining us from September to teach in Year 3. He has a host of strengths including science and sports coaching and so I know will be a fantastic addition to our brilliant team. Welcome Mr. Abraham ☺

The Real Junk Food Project leaflet

This week at Chaddlewood:

* On Wednesday, Olly Wrench, Jamie Best, Connie Cotton and Isobel Allen spent the day at The University of Plymouth. They took part in a Mathematics Masterclass focusing on problem solving. They all enjoyed the day and learnt a lot!

* Ebonie Ng and Jessica Sharp won their categories in the Rotary Art Competition with some amazing art work! Well done girls.

* Year 1 held their class weddings as part of their RE learning. Congratulations to the brides and grooms and all the children were brilliant!

* Last weekend Harvey Morrow, Harry Rapson and Sean Byrom were involved in the largest youth football tournament in the UK. It took place at Butlins, Minehead and they won the under 10's competition ☺ This now means they will be invited to take part in the Grand Finale "Champion of Champions" competition at St George's Park, the National Training Centre for the 24 England teams and the best football facilities in the world. The boys brought the cup into celebration assembly this afternoon and it is magnificent. Well done Harvey, Harry, Sean and the rest of the team. We are very proud of you☺ Photos below:

Upcoming events:

- ✓ Our Summer Term disco is on the 6th June.
- ✓ CHADFEST: We are having our own Chaddlewood Music Festival on the evening of the 5th July from 4-8pm. Bands have already been booked and there will be plenty of food and drink as well as other entertainment. More details to follow.

As ever please contact us with any questions, compliments or concerns.

Kind Regards: *Sarah King* [Headteacher]
