Dear Parents and Carers,

Another great week of learning here at Chaddlewood, finished off with the crescendo of reports being sent home today! These are a summary of the hard work the children have put in this year. The children deserve massive credit, especially following another lockdown period. I know there has been a lot of lovely words written to reflect this. I am suspecting there will be a lot of proud parents. Well done!

Class Swaps

I sent a letter home recently regarding our class swaps on Monday 5th July. This gives children a chance to meet their new class teacher for next year. You will find out who this is in their report. This allows the children to go away for the summer feeling more confident about the year ahead and forms a major part of the transition process at Chaddlewood Primary School.

Parents' Evening – Reports

Just a reminder that on 7th July we are offering parents the opportunity to discuss your child's report. Please contact your child's teacher directly if you would like to do this. If there is nothing you would like to discuss, then there is no expectation to make an appointment.

Dates for your diary:

5th July: Class Swaps

8th July: Aspiration Day

12th July: Meet the Teacher Evening

Designated Safeguarding Leads

Our Safeguarding Lead is Miss King. In her absence, please direct any safeguarding concerns to myself or Mrs Jones. Please do not send any to our admin email. Thank you.

Dogs on site

Please remember that we do not allow dogs on our site. Unfortunately, there have been several instances where staff have had to ask people to remove their dogs. Please support us with this policy.

Sustrans Schools Survey

Please can you spare a few minutes to complete the Sustrans school survey. Sustrans have done a lot of great stuff at Chaddlewood include fixing bikes and leading assemblies on road safety. The survey can be found here:

Late children

Just a reminder that if children come in after 8:55am then parents must come to reception to sign them in. Thank you.

Learning in year 1

On Wednesday, Year 1 make some edible slime as part of their literacy topic. Huge thanks to Jellybear Workshops for making this possible - the children loved it!

Well done Leo in 4SC and Millie Hadfield in 3AR

Leo completed the Delt School Challenge. Over the 13 weeks he smashed the target of 13 miles, instead reaching over 16 miles (with his dad in support). I'm sure you'd agree that this is amazing!

Millie got this amazing trophy after scoring lots of tries for her rugby team, Plymstock Albion Oaks. Incredible work, Millie!

Play Equipment and mixing of bubbles on site

Please can we remind parents that children should not be playing on the big play equipment before or after school as its use is strictly timetabled for class bubbles to minimise the risk of cross infection of Covid-19. Can we also remind parents to keep children who are in different bubbles separate, whilst on site. We are working hard to ensure that we minimise all potential Covid risks.

If children are unwell and unable to attend school

Please call Reception or email admin@chaddlewoodschool.org.uk if your child is unwell and not able to attend school that day.

Learning Support email

Just a reminder that we have a designated email address should you need support with any aspect of your child's learning - be that maths homework techniques, SPAG work or internet safety (or any other aspect of your child's learning). We are always very happy to support and answer any questions.

Covid testing

Please can I ask that should your child be tested for Covid-19, they self-isolate while you are waiting for the results and that if the result is **positive**, that you inform the school office asap even if this is over a weekend or during a holiday.

Thank you
