for children and young people,  
on the theme of Community*

We would love to see each of Cornwall's schools represented by children and adults. Please come along and bring your school banner!

If you can join us, please [click here](#) to tell us.

We would also like you to contribute to the service. If your school would like to offer some thoughts on what Community means, please contact [jo.osborne@truro.anglican.org](mailto:jo.osborne@truro.anglican.org)

### HEADLICE!

Can you please check your child's hair each week for headlice so we can stop these unwanted visitors!

We recommend that you shampoo your child's hair thoroughly, condition and comb through with a 'nit' comb. Finally rinse hair with water (not from the bath, or you risk reinfection!) Thank you for your help.

### MUSICAL ITEMS LOOKING FOR A HOME

Three electric keyboards, without chargers, available looking for a good home. Also guitar and keyboard stands. Donations to the school.

### VIOLIN LESSONS

## CONSENT SLIPS AND PAPERWORK

We have sent out various bits of paperwork this week, could you please return these as soon as possible so we have the up to date information in school.

If you **do not** want your Reception and Year 6 child to have the NHS child health checks at school you must complete the form and return it to school.

## PARKING AROUND THE SCHOOL

Can we please ask parents when parking their cars in the morning and after school that they are considerate to those living around the school. Please do not park in private driveways, but use the available parking in the square, or in the village car park next to St Keverne Band room. Many thanks.

## HARVEST FAIR AT ST MARTIN

The Harvest Fair held at St Martin School last Friday was judged to be a great success with over 100 people attending, plus a duck which local MP Derek Thomas produced from a box when he opened the Fair. The school was decked in bunting, and the Friends of St Martin School (FOSMS) were widely praised for their efforts over the summer to restore the school grounds into a safe and very attractive environment. A sum of almost £1000 was raised at the Fair, and FOSMS intend that this should be spent on items which will benefit the school children of St Martin. There were plenty of stalls and attractions with 'Splat the Rat' and the Greasy Pole proving especially popular. The evening ended with St Martin's version of 'It's a Knockout' which took place on the ideal location of the school field. The games included the Crate Race, Billy Bunter Race, and the Egg, Flour and Water Race. Much fun and hilarity ensued with the Young Farmers emerging as the winners. FOSMS would like to thank everyone who contributed to the success of the Fair, and for all the very positive feedback received.
