CHILDREN IN NEED

Thank you to everyone who has taken part in today's fundraising. The children have made a real effort and are looking brilliant in their spots and space clothes!

NEW PICNIC BENCHES

Our children have loved the new benches in the playground this week. Many thanks to FoSKs for purchasing these for our school. We even had enough sunshine to enjoy our lunch outside this week ... in November.

CRAFT CLUB

Many thanks to Becci Baker and Kelly Pengilly for running our popular craft club for the younger children. Can we remind parents to bring the weekly 50p subscription to Sylvia in the office. This money is used to buy the resources which are used in the children's activities. Thank you.

HELFDORD RIVER CHILDREN'S SAILING TRUST

Helford River Children's Sailing Trust (HRCST) has entered an exciting project into the Aviva Community Fund competition. **This closes next Monday.**

They want to purchase a floating classroom for their Trevassack Lake project on the Lizard Peninsula, a facility which is specifically for youngsters with special educational needs and disabilities. The floating classroom will enable children and young people who use wheelchairs to experience the same excitement and feel the wind on their faces alongside their able-bodied classmates on the water. We would be incredibly grateful if you could cast your votes to support the 'Floating Classroom Project'. Here's what to do:

DAILY MILE CHALLENGE

As part of a healthy lifestyle initiative, St Keverne School is taking in the 'Daily Mile Challenge'. It will take place each day for 15 minutes. Most children will average a mile in that time and the older ones will be able to keep a running total of their distances travelled over time.

The course will be run on the playground and on the field, so we are asking the older children to bring trainers in each day for this please. The younger children may be happy to do this in their wellies—depending on
