

Communication & Language

Children will use a range of different methods to communicate through working individually, in partners or in groups.

Expressive Art and Design

Over the spring term we will be linking our artwork to Space and will be using different mediums including collage, paint, pens and pencils.

Physical Development

P.E: Children will be doing netball, football and health and fitness in their PE lessons over the spring term.

Personal, Social and Emotional Development The class will be learning how to:

Recognise their worth as individuals, by identifying positive things about themselves and their achievements, seeing their mistakes, making amends, setting personal goals;

Resolve differences by looking at alternatives, making decisions and explaining choices;

Recognise the different risks in different situations and then decide how to behave responsibly.

Our **Values for Life** themes this term are **Wisdom** and **Perseverance**.

Mathematics

- Number – number and place value, ordinal numbers, addition and subtraction, multiplication and division, fractions
- Measurement, statistics and data
- Geometry – properties of shape, position and direction

Godrevy Class Spring 2019 – THE DEEP

English

- Fiction – We will be looking at books written by Oliver Jeffers.
- Non-Fiction – We will be creating fact-files and writing biographies of significant scientists and space explorers
- Poetry
- Handwriting
- In all areas of English we will ensure the children continue to apply phonic knowledge and skills. Alongside this we will enhance children's knowledge of grammar, punctuation and comprehension.

Understanding the World

History and Geography: We will be learning about planet Earth, the solar system and the time-line of the international 'space race'.

Science: Children will be learning about light, shadow and materials.

ICT: Children will use the internet to gather information within English and topic lessons to support their learning. Children will also be doing computer programming and looking at e-safety.

R.E: The class will be finding out about how and why symbols express religious meaning. Our focus religions for the spring term are Christianity and Hinduism.
