## Spring Term

Welcome back to the Summer term! We hope you've had a lovely break and are excited to come back and learn lots more.

Our topic this term is '**Myths, Magic and Mystery**'. We're going to start by learning about Ancient Egypt, and uncovering the mysteries of the ancient civilisation. We're also going to explore myths from different cultures, and other magical tales in English.

This term looks to be very busy, and hopefully with some sunnier weather too, so please make sure that your child has a hat and named bottle of sun-cream in school, as well as a coat, so that we are prepared for the English weather!

### Home Learning

This term children will receive a homework grid that is based on our topic work with English and Maths objectives. This is due on Thursday.

In addition children will have spellings, which will be tested each Friday.

### PE Kits

PE will continue to be on Tuesdays with Mr Studd. Additionally, we will swim every Tuesday, so please ensure your child brings a swim kit to school each week. On Tuesdays, your child may find it easier to wear their PE kit to school, which may avoid some items of clothing going 'walk about!'.

### Show and Tell

Show and Tell will be on the first and last Friday of each half term, before Golden Time.

Please can children bring in items related to our topic this term.

### Reading

Children make the most progress when they are reading regularly at both home and at school, so I would ask that children read at least three times a week at home, in addition to in-school reading. Please check that your child is understanding what they are reading, by discussing their book with them.

### Queries

If at any time you have any queries, problems or would like to chat about your child's progress, please come and discuss this with me. You can make an appointment at the office to see me at a time that is convenient to you, either before or after school.

### Topics

Please turn over to have a look at the topics that we will be covering this term.

### Clothing

Please make sure **ALL** items of your child's clothing and shoes are clearly labelled so that they can always be returned to their owners should they wander off!

### Communication, Language and Literacy

- Circle time
- Drama and role play within lessons
- Sharing work and class discussion
- Show and tell on some Fridays
- ICT

### Maths

In Maths we will be following the Abacus scheme of work.
