### LATE ARRIVAL AT SCHOOL AND COLLECTIONS DURING THE DAY

As you will have noted from last week's newsletter we ask that children arrive at school promptly each morning for a 9.00am start. Attending school regularly and on time helps to ensure children make good progress in their learning and form good habits for future life. However, we do appreciate that some days things don't always go to plan! In these exceptional circumstances, please bring your child to reception so that they can be registered and a school dinner ordered if necessary. We will also ask the adult accompanying the child to complete a late arrival form to sign them into school.

Likewise, if your child needs to be collected during the school day, please report to reception where a member of staff will collect them from the classroom and ask you to sign them out of school. These procedures are in place to ensure the safety and well being of all our pupils. Many thanks for your co-operation.

## New Local Governing Body [LGB] - Vacancies

As you will have seen from the recent letter welcoming us all to Southerly Point CMAT, going forward our four schools share a local governing body. This group met for the first time earlier this week and one of the issues discussed was the various roles required and the following vacancies were identified.

- A parent governor for Coverack School
- A parent governor for St. Keverne School
- A church approved governor in accordance with Grade-Ruan's designation as a Church of England school. This person could be a parent from any of our schools or a member of our wider community.

Please consider whether you are able offer this important service for your LGB. For further information, or to express an interest in any of these roles please contact Mrs. Sherlock as soon as possible via your school office. Thank you.
