Date: 14th October Time: 2.30pm

Last week, the year 5 and 6 children were lucky enough to be invited to the South West Outdoor Festival, set up by the National Trust. We all had the most fantastic day with so many activities packed in, from archery and spear throwing to making bird feeders and cooking over a campfire. We learnt all about beekeeping and got to touch lots of different bones and animal skins. Fortunately the rain held off and it was a brilliant day full of learning and fun. We are really grateful to the National Trust and all of the volunteers for providing this opportunity.

Following on from this, as a class we have begun to try to do as many things as we can from the National Trust's initiative '50 things to do before you're 11 ¾'. Last Friday we began by making our own kites and we will continue each Friday afternoon throughout the year when we can. These all involve being outside so I would be very grateful if your child could ensure that they have a warm coat and wellies in school each week. Sometimes we will try to go down to the woods for the afternoon. As some will also involve mud (which always ends up on clothes however much we try to avoid it!), I would appreciate it if they also had a change of warm clothes to wear, just in case, that can get dirty. Thank you. Miss Kelly
