Headteacher: Mr Andrew Miller

AM/LH

21 February 2018

Dear Parents/Carers

We will be having some minor repair work to the yard area starting tomorrow which should be completed by the end of Friday. This was due to be completed during half term to avoid disruption but the works were unavoidably delayed.

The works will cause some disruption to pick up and drop off of pupils in Years 1 and 2:

Thursday Morning : Drop off as normal

Thursday Afternoon : Collect from door between bike sheds.

Friday Morning : Line up as normal – enter school via door between bike sheds

Friday Afternoon : Collect from door between bike sheds – unless works have been completed in which case pick up from normal place.

We apologise for any inconvenience this causes.

Yours sincerely

**Mr A Miller
Headteacher**
