Headteacher: Mr Andrew Miller

AM/LH

24 October 2019

Dear Parents/Carers

PE/Forest School/Commando Joes/NUFC Timetables

Please find attached the class by class rota for after half term. As explained in earlier newsletters, timetables need to change each half term to ensure each class can access each activity and can also access specialist staff. In most cases, little will have changed on your child's timetable. However, in some cases Forest School or a PE day may have changed. If you are unsure of any aspect of this, please contact your child's class teacher in the first instance.

New Menus

As usual, our menus will change after the October half term. The new menus are attached and will continue on a 3 week rota. Mrs Farrell has designed the new menus in consultation with children from different year groups and she has also added previous favourites.

Drop Offs by Car

Several parents have complained about parents pulling into the vehicle gate area by the pedestrian access on Stakeford Lane to drop off children. This is particularly dangerous as it is so close to where children and families enter the school site. The gateway, although convenient, is not a drop off zone and by dropping off there the chance of an accident occurring is greatly increased.

Christmas Shoebox Appeal

Mowbray Primary School is once again joining the Operation Christmas Child appeal and would appreciate your support in this project. A letter went out this week explaining the appeal and what to do if you would like to support it. The deadline for your shoeboxes is Thursday 14 November 2019.

The Poppy Appeal

The week after half term we will be selling poppies in school. The children will be going around during school for donations.

Yours sincerely

Mr A Miller
Headteacher
