

*Inspired by Christ we grow and learn together reaching our full potential.*

### St. Wilfrid's on TV!

On Thursday this week Luke Walton from BBC North East was in school to film a piece on our work on Poverty Proofing. Thank you to the staff, parents, volunteers and children who took part in the filming. The piece will be shown on BBC Look North and The Politics Show this Sunday at 11.00.

### Hedgehog Rescue

This is Wilf the hedgehog who was spotted by Odin and rescued by Mrs Allan during a gardening session yesterday. Everyone was glad to hear he was doing well and thanks to Blyth Wildlife Rescue for their prompt response.

This adventurous male Hedgehog was admitted today after being pulled from a sewerage drain at a Blyth school and will require cleaning and further assessment before eventual release
