Shanklea Superstars

Well done to the children who received congratulatory postcards over the holidays in recognition of their hard work during the last half term.

Parking Fines

We would like to remind everyone that Nairn Road, Northolt Avenue and Needham place are restricted parking areas.

Anyone who parks on these roads without a permit is risking a parking ticket and fine.

Nuts in School

It is **EXTREMELY** important that children do NOT bring in any products containing nuts into school as we have children with severe allergies.

This includes Nutella type spreads and many cereal bars. Thank you for your support.

Happy New Year !

A very warm welcome back to all our children, families, staff and governors. All best wishes, for a very happy and productive New Year 2019!

We hope that you all enjoyed your Christmas holiday time and that you are all ready for an exciting 2019 year ahead at Shanklea Primary School.

A special welcome to our new families. Our new 'Squirrels' and Nursery children are now all in class and they have already impressed us with their curiosity and wonderful manners.

Well done everyone!

Last week's attendance

Regular prompt attendance at school is so important to ensure your child makes the best progress possible. We urge parents and carers to ensure their child comes to school promptly, ready to start the day. Being late even by a few minutes can disrupt their start to the day. If you have other commitments that could make your child late please consider our Breakfast Club which opens at 8am.

Welcome Back!

Shanklea Primary School

"We provide a happy, caring and stimulating environment where children recognise and achieve their fullest potential"

Shanklea needs you— Calling all parents, grandparents, friends and neighbours!

Our recent Ofsted inspection recognised that Shanklea is a **welcoming, inclusive and happy place** which has maintained a **good quality of education** and **children continue to make progress throughout the school.**

With your help we can continue to make a difference and be even better.

Parents, grandparents and the wider community can make a huge contribution to schools, not just financially, but in their goodwill and the time they are willing to commit to help build our school community. Times are tough, and increasing numbers of people are preferring to find other ways to help others. One particularly useful way to help our school is to volunteer your time.

Our PTFA, **Friends of Shanklea** Primary School, are a fantastic group of parents, staff and friends who aim to make our school as great as it can be by generating funds to provide even more facilities and equipment and financial support to enable children to take part in challenges and fun, educational new experiences. They organise fundraising events and fun activities (including our amazingly popular discos) for the children. Their help is invaluable and greatly appreciated.

With more support from volunteers we could raise more money help your child have an even better school experience and enrich their education too.

Our PTFA is about so much more than just fundraising. The 'Friends' exist to provide closer links between home and school, and, it is also an excellent way to bring together staff, parents, friends and neighbours in support of the school. Being a volunteer can be a hugely rewarding experience.

Friends of Shanklea is not limited to a committee. The committee serves to be a driver but everyone can and should be involved. We understand time is precious so any help is greatly appreciated.

You can help us in lots of ways. For example, we would welcome:

Class representatives: The ideal scenario would be to have at least one representative (parent/carer/grandparent) from each class in order to encourage participation from every class in future events.

Helpers: People who would like to help in organising and running events. Helping at every event is not obligatory and is not required for every event. By joining the 'helpers' list you will receive emails asking for help for various events.

In the loop: People who cannot commit to an event or regular events but still want to receive updates and come to events to help in some capacity.

Shanklea Primary School aims to find an opportunity that best fits your comfort, abilities, and interests to create a positive and productive volunteering experience.

Please let us know if you are able to help. You can text, email, drop us a note or just pop in to the office. Thank you in advance!

Shanklea Reading Scheme

Shanklea Primary School are delighted to be working with **Vision for Education** in a new initiative to encourage and support our pupils to develop a love of reading.

A Vision for Education representative, **Justine**, popped into school this week to explain how the children will have the opportunity to earn certificates and win prizes for their efforts over the next term.

Congratulations to **Laura S** and **Max B** who have already won David Walliams' books for their efforts.

REMINDERS

Please note that we have had to make some price increases effective from 8th January 2019.

School meal: £2.40 (free to children in Reception, Year 1 and Year 2)

Breakfast Club: £2/session

OOSC and Breakfast Club Late Booking Fee: £2

Can you help?

Do you have any Christmas gifts that aren't quite your thing or you already have?

We would be most grateful for any donations of new or good quality gifts that we could use for future raffles.

We would also greatly appreciate any craft items, ribbons, glue sticks, etc or "unlogoed" stationery that the children could use.

Your help and generosity is hugely appreciated. Thank you.

GDPR & Image Consent Forms

There are still a few pupils who have not returned GDPR forms or Image Consent Forms. Can these be returned to school urgently please. Thank you
