I would like to take this opportunity to thank you for your time taken to complete this booklet. I would like to stress the importance of the information you provide in this booklet. Where signatures are not given your child will be unable to take part in certain planned activities, however, we have a strong inclusion policy at St Aidan's and as such, we will discuss any matters with parents to ensure your child has full access to the curriculum.

If you have any concerns or queries please do not hesitate to contact school or speak with a member of our foundation team.

Please make sure you return your child's 'All About Me' booklet as soon as possible to allow a smooth transition.

Once again, thank you for your support.

Mrs S Hooper.
