

Go to www.school360.co.uk and log using the EYFS login.

Your pin and password have been provided by school.

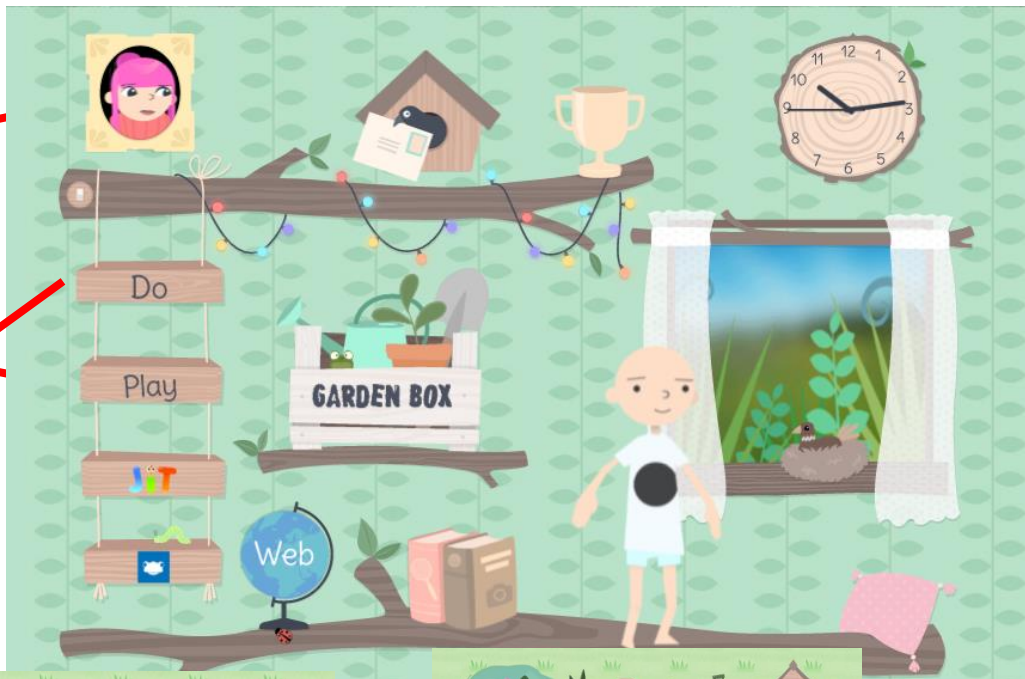

It will display an avatar and ask if it is your child. The first time you use it, the avatar will be plain but you can edit this once onto the homepage.

Discuss and agree to the terms and conditions with your child.

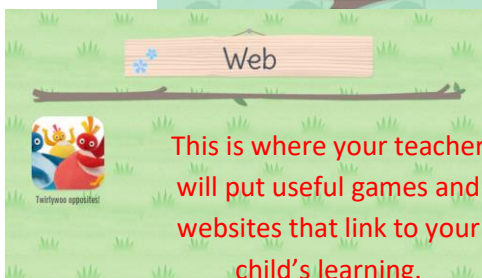

This is your homepage:

Your teacher's avatar

Lots of games and activities to explore

an change your avatar

This is where your teacher will put useful games and websites that link to your child's learning.

This brings you to a map of a garden scene. You can click on different areas of the garden and it will suggest things that your child could possibly do in your garden.
