Tuesday 17th March 2020

Dear Parents/ Carers,

As I'm sure you are all aware, although we monitor the situation daily, due to the coronavirus there may very well be school closures in the near future. Should this occur, we will be using schools 360, an online resource, so that your child can continue to access age appropriate tasks/ activities which teachers will arrange, to minimise the negative impact on learning.

As such, just as a precaution, we are sending home your child's password details and instructions on how to access schools 360. Should anyone have any questions, please feel free to speak with your child's teacher.

For those children needing to self-isolate your child's class teacher will arrange for your child to be able to access this learning resource.

If for some reason you are unable to access schools 360, please contact the school office for further advice.

Twinkl the online learning resource are also offering parent/carers one month's access to their website which you might also wish to consider:

www.twinkl.co.uk/offer and enter the code UKTWINKLHELPS

Thank you for your continuing support,

Miss Carrie
ICT lead.
