Save Our School

At the beginning of this week we received some upsetting news. We have entered a period of consultation with a view to closing the school if no solutions can be found to our financial, building and low number issues. Everyone concerned is working hard to look for solutions - including Ann-Marie Trevelyan. Many thanks to the parents who were able to come along and meet her on Tuesday.

If you have any suggestions, ideas or questions you would like answered, please call in to school and we will do our best to push forward suggestions and get questions answered.

In the meantime, it's business as usual! Breakfast Club and After School Club will continue as normal with lots of gardening and outdoor play planned for next week.

Since the consultation opened on Monday, we have received several separate requests for similar information already. Therefore, I intend to prepare one response for all parties and will send this out as soon as reasonably possible. If anyone else has anything they require a written response on, can you please email it to ageraghty01@jcsc.co.uk or pass it through the office.

Many thanks, Amy Crawley, Business Manager.

Half Term

Class 1 are having a brilliant time learning about fairy-tales. We had a brilliant time exploring different materials and the children have now brought home their princess beds with many many mattresses. Next week Class 1 will be re-enacting parts of Cinderella and planting pumpkin seeds in the patch to the left of the mobile classroom.

Welcome to Mr Mitchell who is teaching class 2 while Mrs van S is poorly.
